- “Web beacons”, “tags”, and “pixels” are electronic files used to record information about how you browse the Site.

Additionally, when you make a purchase or attempt to make a purchase through the Site, we collect certain information from you, including your name, billing address, shipping address, payment information (including credit card numbers), email address, and phone number. We refer to this information as “Payment Information”.

How do we use your personal information?

We use the Payment Information that we collect generally to maintain your membership through the discord (including processing your payment information and providing you with invoices and/or receipts). Additionally, we use this Payment information to:

- Communicate with you;
- Screen our payments for potential risk or fraud; and
- When in line with the preferences you have shared with us, provide you with information or advertising relating to our products or services.

We use the Device Information that we collect to help us screen for potential risk and fraud (in particular, your IP address), and more generally to improve and optimize our Site (for example, by generating analytics about how our customers browse and interact with the Site, and to assess the success of our marketing and advertising campaigns).

Sharing your Personal Information

We do not share your Personal Information with any third parties with the exception of Whop to power our discord and Stripe, Inc to process your payments --you can read more about how Whop uses your Personal Information here:

Finally, we may also share your Personal Information to comply with applicable laws and regulations, to respond to a subpoena, search warrant, or other lawful requests for information we receive, or to otherwise protect our rights.

Do not track

Please note that we do not alter our Site's data collection and use practices when we see a Do Not Track signal from your browser.

When you purchase a membership through the Site, we will maintain your Payment Information for our records unless and until you ask us to delete this information.
