

Return Policy for Juju's Picks Sports Membership

1. Subscription Fees: All subscription fees for the Juju's Picks sports membership are non-refundable once paid. This is due to the nature of the service provided, offering immediate access to time-sensitive information.

2. Cancellations: Members can cancel their subscription at any time. However, the cancellation will only prevent future charges. We do not offer prorated refunds for unused time in the current billing cycle.

3. Exceptions: In cases where a member believes they were charged in error or did not receive the service as described, they should contact our customer support team immediately. Each claim will be evaluated on a case-by-case basis, and decisions on refunds will be at the sole discretion of Juju's Picks.
