

Alpha Alerts AI Privacy Policy

1. Introduction

Alpha Alerts AI ("we," "our," or "us") operates <https://alphatrading.tilda.ws/>. We are committed to protecting your privacy. This policy outlines how we collect, use, and safeguard your information when you use our trading signal services and website.

2. Consent

By accessing our website or subscribing to our services, you consent to this Privacy Policy.

3. Information We Collect

We collect the following data to provide and improve our services:

- Account Information: Name, email, phone number, payment details (processed via secure third-party gateways, whop.com).
- Trading Preferences: Asset classes (Forex/Crypto/Stocks) and risk tolerance for personalized signals.
- Technical Data: IP address, browser type, device information (via cookies) for analytics.

4. How We Use Your Data

- Deliver AI-generated trading signals via whop platform and email.
- Personalize market analysis and recommendations.
- Process subscriptions and send service updates.
- Improve signal accuracy through aggregated performance analytics.

5. Data Protection

- Encryption: All data transmissions use SSL/TLS encryption.
- Limited Access: Only authorized personnel handle sensitive data.
- Third Parties: We share data only with essential providers (e.g., payment processors).

6. Cookies & Tracking

We use cookies to:

- Remember user preferences (e.g., dark mode).
- Analyze signal engagement metrics.
- Opt-out via browser settings (may affect service functionality).

7. User Rights

Under GDPR/CCPA, you may:

- Request access to or deletion of your data.
- Withdraw consent (contact support@alphatrading.com).
- Opt out of marketing communications.

8. Children's Privacy

We do not knowingly collect data from users under 18.

9. Policy Updates
