

Alpha Alerts AI Terms of Service

1. Acceptance of Terms

By accessing <https://alphatrading.tilda.ws/> or subscribing to Alpha Alerts AI ("Service"), you agree to these legally binding terms. If you disagree, discontinue use immediately.

2. Service Description

We provide AI-generated trading signals for Forex, cryptocurrencies, and stocks via [Whop.com](https://whop.com) platform. Signals include:

- Entry/exit points
- Take-profit (TP) and stop-loss (SL) levels
- Daily market analysis

3. User Responsibilities

- Accuracy: Verify all signals independently before trading.
- Risk Acknowledgement: Trading involves capital risk. Past performance ≠ future results.
- Account Security: Keep Whop/email credentials confidential.

4. Subscription Terms

- Trials: \$10 for 3 days (auto-renews at \$497/month unless canceled).
- Refunds: No refunds for trial or subscription periods.
- Cancellation: Email support@alphatrading.com 72h before renewal or cancel in whop.com platform in your account.

5. Intellectual Property

All signal content, algorithms, and website materials are owned by Alpha Alerts AI.

Prohibited actions:

- Redistribute signals to non-subscribers
- Reverse-engineer our AI models
- Use signals for commercial resale

6. Third-Party Links

Our website may link to brokerages or educational resources.

7. Disclaimer of Liability

Alpha Alerts AI is not liable for:

- Trading losses from signal reliance
- Technical delays in signal delivery
- Unauthorized access to your accounts

8. Termination

We may suspend accounts for:

- Payment failures
- Signal redistribution
- Harassment of staff

9. Governing Law

Disputes will be resolved under USA and European Union law.

10. Amendments

We may update these terms; continued use constitutes acceptance.
