MARKET MASTERS DISCORD PRIVACY POLICY

This Privacy Policy explains how [Market Masters] (“we,” “us,” “our”) collects, uses, stores, and shares personal information of members (“you”) in the Market Masters Discord community (“Service”). By using the Service, you agree to this Policy.

1. Data Collected. We collect: (a) information you provide (name, email, payment details, messages, files, voice recordings, surveys); (b) automatic data (IP, device, browser/Discord client, logs, analytics); (c) third-party data from payment processors, Discord, and integrated services.

2. Use of Data. We use data to deliver and maintain the Service, process payments, communicate with you, moderate and secure the community, analyze usage, comply with law, and, with consent, send marketing.

3. Legal Basis. We process data under contract (membership access), legitimate interests (moderation, fraud prevention, service improvement), consent (where required), or legal obligation.

4. Sharing. We may share data with service providers (payment, hosting, analytics), Discord (as platform host), regulators (if required by law), or in a merger/transfer. We do not sell your data.

5. Retention. Data is kept as long as needed for Service purposes, then deleted or anonymized. Some logs/backups may persist. You may request deletion, subject to legal/security limits.

6. Your Rights. Depending on jurisdiction, you may request access, correction, deletion, restriction, portability, objection, or withdrawal of consent. Complaints can be filed with your data protection authority.

7. Security. We use reasonable safeguards but cannot guarantee absolute security.

8. Minors. Service is not for users under 13 (or higher local minimum). If we learn we’ve collected data from a minor, we will delete it.

9. Third-Party Services. External links, processors, and Discord itself have their own privacy policies. We are not responsible for those.

10. Updates. We may revise this Policy; updates take effect when posted. Significant changes will be notified in-community or by email.

11. Contact. For questions or rights requests: Contact Steven J.King, Email: [provenfunded@gmail.com]

12. Discord Disclosure. Your username, ID, roles, timestamps, and posted messages are hosted on Discord. Deleting your Discord account may not remove content from our server.
