

Ebook License

Calmer Rescue Dog Walks | Version 8 September 2026

Ebook and licensor

This license applies to “Rescue Dog Owners Making Peaceful Sidewalk Passes Without Punishment,” supplied by Pepe Becker, trading as Calmer Rescue Dog Walks, Weimarer Straße 30, 10625 Berlin, Germany. Contact: support@pepebecker.com.

Your permitted use

Your purchase provides a non-exclusive license to read and use the ebook for your own personal, non-commercial purposes and within your household. You may download it, keep backup copies on your own devices, and print copies for your personal or household use. You may make personal notes and use accessibility features or format adaptations needed for your own reading, subject to applicable law.

You may apply the practical ideas in your everyday life. This license restricts copying and distribution of the ebook itself, not ordinary use of what you learn.

Distribution and commercial use

Do not upload the ebook to public websites, shared libraries or file-sharing services; distribute it outside your household; sell, sublicense or commercially redistribute copies; or pass it off as your own work. Do not share your Whop account credentials or provide others with access to the paid delivery area. For permission beyond this license, contact us first.

Buying a copy does not transfer copyright or other intellectual-property ownership. Third-party material, if identified in the ebook, remains subject to its applicable rights. Nothing here grants rights that the licensor does not hold.

Duration and withdrawal

You may keep and use a lawfully purchased copy for the permitted purposes without a recurring license fee. This is not a promise of perpetual hosting, personal support or future editions. If you withdraw from or otherwise terminate the purchase and receive a refund, stop using the refunded copy and delete or destroy your retained copies, except to the extent applicable law permits retention. A reduction in price for a defect does not by itself end your license.

Your legal rights

This license does not restrict uses permitted by mandatory law, including applicable copyright exceptions, or remove statutory consumer remedies. It does not limit liability for injury, intentional wrongdoing, gross negligence or other liability that cannot lawfully be limited. Questions about delivery or refunds are handled under the Terms of Purchase and Withdrawal and Refunds notice.
