

Household Financial Clarity Kit

End User Licence Agreement (EULA)

Operated by LJ Enterprise. Last updated 17 September 2026.

This licence covers the Household Financial Clarity Kit software sold on Whop: the 16 live tools, Planner Files, Implementation Chat, Announcements, and the Household Calendar.

Grant. We grant you a personal, non-exclusive, non-transferable licence to use the software for your own household planning. This is not a sale of the software itself.

What you may do. Use the tools while your membership is active. Access continues for as long as this product is offered on Whop. We do not advertise lifetime access.

What you may not do. You may not copy, resell, sublicense, reverse engineer, republish, or share login access. You may not use the software to provide paid financial, tax, or legal services to other people as if it were your product.

No professional-advice claim. The tools are household planners. They are not financial, tax, credit, or legal advice.

Ownership. LJ Enterprise retains all rights in the software, copy, and branding. Your membership does not transfer those rights.

Termination. If we refund a purchase or revoke access for a licence breach, this licence ends.
