

Abra AI LLC: Master EULA

Version 2.1 | WhopDoc amendment

Effective Date: September 29, 2026

This WhopDoc-specific amendment forms part of this Master document. It introduces WhopDoc and controls conflicts for WhopDoc only. The original Version 2.0 follows, with its other product provisions unchanged. This amendment applies prospectively and does not remove existing mandatory rights.

3.1 WhopDoc product license

WhopDoc by Abra AI is software operated by Abra AI LLC. The WhopDoc Product Addendum at <https://whopdoc.com/terms> controls conflicts with this Master EULA for WhopDoc only. Its Privacy Policy is at <https://whopdoc.com/privacy> and its Refund and Cancellation Policy is at <https://whopdoc.com/refund-policy>.

Authorized client work is permitted: users may prepare, adapt and share client-specific generated reports, prompts and setup plans with their clients, and continue using lawfully exported deliverables after membership ends, subject to third-party rights and the Product Addendum. The general internal-use-only, distribution and post-termination deletion restrictions do not prohibit those permitted deliverables. This exception does not license copying, reselling or sharing application access, source code, proprietary libraries or other protected materials.

For private WhopDoc inputs, the Product Addendum's limited processing permission controls; Section 5's perpetual, irrevocable and promotional content license does not expand it. WhopDoc does not use submitted prompts to train its own AI model. Its own product-specific liability terms and mandatory legal protections control conflicts with general master provisions. Paid workspace access still requires an active entitlement and ends when it expires or is revoked. Other Abra AI products' license terms are unchanged.

- c. Abra AI LLC provides written notice of termination

Upon termination, you must cease all use of the Licensed Materials and delete any copies in your possession or control, except as expressly permitted by a Product Addendum.

8. Disclaimers

The Licensed Materials are provided "AS IS" and "AS AVAILABLE," without warranty of any kind, express or implied, including warranties of merchantability, fitness for a particular purpose, non-infringement, accuracy, or uninterrupted availability.

9. Limitation of Liability

The Limitation of Liability provisions of Section 11 of the Master Terms of Service apply to this EULA and are incorporated by reference. Abra AI LLC's total liability under this EULA will not exceed the greater of the total fees you paid to Abra AI LLC in the three months preceding the claim or one hundred U.S. dollars (\$100).

This EULA is governed by the laws of the State of Arizona. Disputes are resolved through binding arbitration administered by the American Arbitration Association as described in Section 13 of the Master Terms of Service. Venue for any permitted court action is Maricopa County, Arizona.
