Height Lift

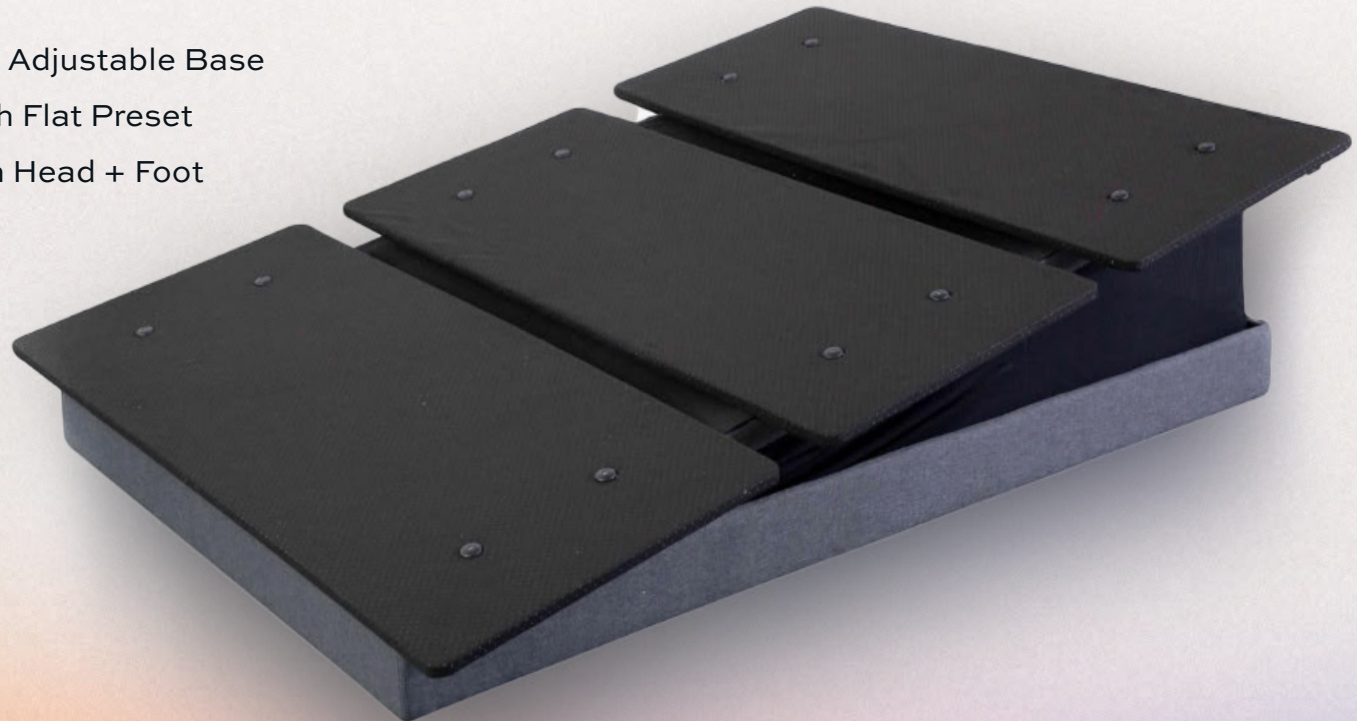

Wireless Remote
with One-Touch Flat

Take your bed to new heights with the Hi-Lo Foundation Kit.

Designed Together, the Hi-LoFlex and Foundation Kit provide a stable, low-profile platform under 6 inches thick that quietly elevates the bed up to 8 inches and lowers it back down, supporting up to 750 pounds. This dynamic system also offers a 10-degree tilt in both directions: forward to help alleviate acid reflux and backward to promote spinal decompression and improved circulation. With its non-slip surface and adaptable design, it's the perfect foundation for consumers seeking both simplicity and wellness-focused functionality.

- Available to Use With or Without Adjustable Base
- Wireless Remote with One-Touch Flat Preset
- Up to 10° Tilt Adjustment at both Head + Foot
- Up to 8" Height Lift
- Platform Friendly
- 750 lbs Lift Capacity
- Easy Assembly
