7-day refund, no questions asked

If a product is not right for you, email us within 7 days of purchase and we will refund you in full. You do not need to give a reason.

How to ask

Email info@adreek.com with the email address you used to buy and the product name. If you bought through Whop, you can also request a refund through your Whop account.

What happens next

We aim to approve refunds within 3 working days. The money goes back to your original payment method. Your bank or card provider may take a few further days to show it.

After 7 days

Refunds after 7 days are at our discretion, except where the consumer law of your country gives you a right to one, for example if the file is faulty or not as described. If you have a problem with a file, tell us and we will fix it or replace it first.
