What we collect

When you buy: Whop collects your name, email address, country and payment details to process your order. We receive your name, email, country and order details. We never see or store your full card details.

When you claim the free sampler: Whop collects your name and email address, and we receive them.
When you subscribe to the newsletter: your email address, collected through Substack.

When you contact us: whatever you choose to include in your message.

Why we use it

To deliver your purchase and give you access to it; to send receipts and access emails; to answer support questions and handle refunds; to meet our tax and legal obligations; and, where you have signed up for it, to send you the Clarity with Yuvrraj newsletter and news of new products.

Marketing emails

We only send newsletters and product emails to people who signed up for them. Every email has an unsubscribe link, and you can opt out at any time.

Who we share it with

Only the services that run the business for us: Whop (checkout, delivery of paid and free products, payments and tax) and Substack (newsletter). Each has its own privacy policy. We do not sell or rent your personal data to anyone.

How long we keep it

Order records are kept for as long as tax and accounting law requires. Newsletter data is kept until you unsubscribe or ask us to delete it.

Your rights

You can ask us for a copy of your data, ask us to correct it, or ask us to delete it where the law allows. Email us and we will reply within 30 days. You may also have the right to complain to the data protection authority in your country.

Changes

We may update this policy and will show the date of the latest version above.
