THE ALPHA CLUB INC.

END USER LICENSE AGREEMENT

Effective Date: April 11, 2026 | Last Updated: November 20, 2026

1. Scope

This End User License Agreement (“EULA”) is a legally binding agreement between you (“User,” “Member,” or “you”) and The Alpha Club Inc., a British Columbia corporation (Corp. No. BC1549628), with its head office at 112 – 970 Burrard Street, Vancouver, BC, Canada, V6Z 2R4 (“Company,” “we,” “us,” or “our”). It governs your license to access and use the Licensed Materials defined in Section 2. By accessing or using the Licensed Materials, you agree to this EULA and the Terms of Service.

All other matters are governed by the Terms of Service, which prevails where it conflicts with this EULA. For members enrolled in the Private Mentorship, the signed Mentorship Agreement is the controlling document.

2. Licensed Materials

“Licensed Materials” means the following, where they require an active subscription or completed payment to access:

- The Elite Course and the Mentorship Course, including their videos, documents, and other course materials.
- Any trading tools, bots, dashboards, and analytics systems we provide.

Licensed Materials do not include live discussions, voice channel conversations, or opinions shared by members or community contributors.

3. License Grant

Subject to your compliance with this EULA and the Terms of Service, The Alpha Club Inc. grants you a limited, non-exclusive, non-transferable license, revocable if you breach this EULA or the Terms of Service, to access and use the Licensed Materials for your own personal, non-commercial, educational use only, as a single individual. The license may not be shared between or used by multiple people.

This license is not a sale or transfer of ownership. No intellectual property rights are transferred to you. All rights not expressly granted in this EULA are reserved by the Company.

4. Restrictions

You may not:

- Copy, reproduce, distribute, sell, license, sublicense, share, upload, or make available any Licensed Materials to any third party by any means, including in Discord servers, Telegram groups, social media, file-sharing platforms, or with friends and family.
- Record, screen capture, screenshot, photograph, or otherwise reproduce any Licensed Material, except for copies the course tells you to make for your own use.
- Use Licensed Materials to create, develop, or market any competing course, mentorship, educational product, or trading service.
- Modify, reverse engineer, decompile, or attempt to extract the source code or underlying algorithms of any tool, bot, dashboard, or analytics system, or use automated tools to scrape or replicate its data.
- Circumvent or interfere with any access controls or authentication systems.
- Share your account credentials or allow any other person to access Licensed Materials through your account.
- Use the Licensed Materials for any unlawful purpose.

The knowledge, concepts, and skills you acquire through the educational content are yours to apply in your own trading. This EULA restricts the reproduction and distribution of the specific materials, not the application of what you have learned.

5. Ownership

All Licensed Materials, including all strategies, systems, code, frameworks, content, and branding, are and remain the exclusive property of The Alpha Club Inc. and Matt Wayne. The names, logos, and trademarks of The Alpha Club Inc. may not be used without the Company's prior written permission.

6. Updates

The Company may update, modify, improve, or discontinue any Licensed Material at any time. If a change significantly reduces the value of Licensed Materials available under an active subscription, the Company will give at least 30 days notice before it takes effect, consistent with the Terms of Service.

7. Termination of License

Your license ends when your subscription is cancelled or expires, when your access is terminated for cause under the Terms of Service, or if you breach this EULA. When it ends, you must stop using the Licensed Materials and delete any copies in your possession, other than copies the course told you to make for your own use.

For mentorship students who have paid the Program fee in full and were not terminated for cause, access continues as described in the signed Mentorship Agreement.

8. Disclaimer

The Licensed Materials are provided "as is" and "as available." They are educational in nature and are not financial, investment, or trading advice. The Company does not warrant that any Licensed Material will be error-free or that it will produce any specific trading result or financial outcome. The limitation of liability, indemnification, and dispute terms are in the Terms of Service.

9. Statutory Rights

Nothing in this EULA is intended to limit, exclude, or waive any rights, benefits, or protections you may have under applicable consumer protection legislation, including the Business Practices and Consumer Protection Act (British Columbia) or the consumer protection laws of your home jurisdiction. Where any term of this EULA conflicts with a mandatory consumer protection right, the consumer protection right shall prevail.

Nothing in this EULA restricts your ability to post honest reviews of our services, file a complaint with any government agency, or communicate with any regulatory body including the Federal Trade Commission, Consumer Protection BC, or the Competition Bureau of Canada.

10. General

This EULA is governed by the laws of the Province of British Columbia and the federal laws of Canada applicable therein, consistent with the Terms of Service.

The Company may update this EULA from time to time. For material changes, the Company will notify you by email or through the Whop platform at least 30 days before they take effect.
