

# Terms of Service

Last Updated: February 2026

**IMPORTANT: Please read these terms carefully before using Cryptohub. By accessing or using our services, you agree to be bound by these terms.**

---

## 1. Acceptance of Terms

By accessing or using the Cryptohub website (cryptohub.gg), Discord community, or any associated services (collectively, the "Services"), you agree to be bound by these Terms of Service ("Terms"). If you do not agree to these Terms, do not use our Services. These Terms constitute a legally binding agreement between you and Cryptohub. By using the Services, you also acknowledge and agree to our Privacy Policy.

## 2. Eligibility

You must be at least eighteen (18) years of age, or the age of legal majority in your jurisdiction if higher, to access or use the Services. By using the Services, you represent and warrant that you meet this requirement.

The Services are not intended for use in any jurisdiction where such use would violate local laws or regulations. You are solely responsible for compliance with all applicable local laws. The Services are not available to residents of jurisdictions subject to comprehensive economic sanctions.

## 3. Description of Service

Cryptohub is a subscription-based community platform that facilitates access to educational content, market commentary, and trade setups shared by independent, experienced traders. Cryptohub operates as a platform. The traders who share content on our platform are independent contributors expressing their personal market views. Access to certain features, content, and tools requires payment of a subscription fee.

Cryptohub does NOT:

- Provide individualized or mass financial advice
- Execute trades on behalf of users
- Manage funds on behalf of users
- Operate as a broker, investment adviser, or financial institution in any jurisdiction

## 4. Not Financial Advice

All content provided through Cryptohub, including but not limited to trade setups, market commentary, educational materials, live trading sessions, guides, and community discussions, is strictly for educational and informational purposes only. Nothing on Cryptohub constitutes personalized financial, investment, legal, or tax advice, investment recommendations, or a solicitation to buy or sell any financial instrument.

Any references to trade setups, opportunities, or similar terminology within our content denote analytical observations only and do not constitute recommendations to buy, sell, or hold any specific asset. You should always conduct your own independent research and consult with a qualified, licensed financial advisor before making any investment or trading decisions.

## 5. Risk Disclosure

Trading and investing in cryptocurrencies, forex, derivatives, and other instruments involves substantial risk of loss and is not suitable for every individual. You may lose more than your initial investment, particularly when using leverage. Past performance does not guarantee future results.

You acknowledge that you are solely responsible for your own trading and investment decisions, and that Cryptohub, its owner, moderators, and contributing traders accept no liability for any financial losses you may incur. Only trade with money you can afford to lose.

## 6. No Custody or Management of Funds

Cryptohub does not hold, custody, transfer, or manage your funds in any capacity. We have no access to your wallets, exchanges, or accounts. All assets remain under your sole control at all times.

- Never send funds to anyone claiming to represent Cryptohub. We will never ask you to transfer cryptocurrency or fiat currency to any address or account.
- Never share your seed phrase, private keys, or passwords with anyone, including Cryptohub staff. We will never request this information under any circumstances.
- If anyone requests your seed phrase, private keys, or a fund transfer claiming to be from Cryptohub, it is a scam. Report it immediately to [admin@cryptohub.gg](mailto:admin@cryptohub.gg).

## 7. No Guarantees

Cryptohub makes no guarantees, representations, or warranties, express or implied, regarding the accuracy, completeness, reliability, or timeliness of any content shared on the platform. Markets are inherently unpredictable, and no trade idea should be treated as a guaranteed profit opportunity.

The Services are provided "as is" and "as available" without warranties of any kind.

## 8. User Responsibility & Obligations

By using Cryptohub, you acknowledge that:

- You are trading with money you can afford to lose
- You understand the risks involved in cryptocurrency and forex trading
- You will not hold Cryptohub or any of its contributors liable for losses
- You will conduct your own due diligence before acting on any information
- Premium members are required to complete the onboarding course before utilizing trade setups

You agree not to:

- Share or redistribute paid content outside Cryptohub
- Allow others to use your account or subscription
- Upload harmful, unlawful, defamatory, or abusive content
- Attempt to gain unauthorized access to systems or restricted channels
- Use Cryptohub's content to run or support a competing service
- Use automated tools, bots, or scrapers to extract data or content

Violation may result in account termination without refund.

## **9. Subscription, Billing & Payments**

Premium subscriptions are processed through third-party platforms including Whop (whop.com), Stripe (stripe.com), or PayPal (paypal.com). By subscribing, you also agree to the respective platform's Terms of Service and payment policies.

- Subscriptions are billed on a recurring basis unless canceled
- You are solely responsible for managing renewal settings through your account
- Cryptohub reserves the right to change subscription pricing with reasonable notice

If a chargeback is initiated against a Cryptohub payment, your access will be immediately revoked. Cryptohub reserves the right to pursue recovery of any amounts owed plus associated fees and costs.

## **10. Community Conduct**

By participating in the Cryptohub Discord community, you agree to:

- Treat other members with respect
- Not engage in spamming, scamming, phishing, or any form of fraud
- Not impersonate staff, moderators, or traders
- Not share or promote illegal content
- Not send unsolicited direct messages to other members for promotional purposes
- Not use automated tools, bots, or scrapers to extract data or content
- Not attempt to circumvent any access controls or security measures

Violations may result in temporary or permanent bans.

## **11. Intellectual Property & Content Protection**

All original content is the exclusive property of Cryptohub and its respective contributors.

- You receive a revocable, non-transferable, limited license for personal use only
- You may not reproduce, distribute, share, resell, or redistribute any paid content
- Unauthorized sharing, scraping, or redistribution may result in immediate termination and potential legal action

## **12. Affiliate Links & Third-Party Services**

Cryptohub contains affiliate referral links to third-party exchanges, tools, and services. Cryptohub may earn a commission at no additional cost to you. These third-party services are independent of Cryptohub, and we are not responsible for their products, services, or terms.

## **13. Limitation of Liability**

To the maximum extent permitted by law, Cryptohub, its owner, moderators, and contributing traders shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising from your use of the Services, any trading decisions, unauthorized access, errors in content, service interruptions, or any other matter relating to the Services.

Cryptohub's total cumulative liability shall not exceed the total fees paid by you during the twelve (12) months preceding the event, or one hundred US dollars (USD \$100), whichever is greater.

## **14. Indemnification**

You agree to indemnify, defend, and hold harmless Cryptohub and its owner, moderators, and contributing traders from all claims, damages, losses, liabilities, costs, and expenses (including legal fees) arising from your use of the Services, violation of these Terms, or violation of any rights of another party.

## **15. Service Availability**

Cryptohub may take the Services offline for maintenance or due to technical issues. We do not guarantee uninterrupted service and are not liable for damages resulting from interruptions.

## **16. Third-Party Platforms and Data Handling**

Cryptohub does not store personal data beyond what is necessary for account association. Payment and account details are processed by third-party platforms. See our Privacy Policy for details.

## **17. Governing Law & Legal Entity**

These Terms are governed by the laws of Norway. Any disputes shall be resolved through good-faith negotiation and, if necessary, through appropriate legal channels.

Cryptohub is owned and operated by a company registered in Norway. The brand "Cryptohub" is used for all customer-facing communication, products, and services. The company name may appear on invoices or official documentation where required by law.

## **18. Termination**

Cryptohub reserves the right to suspend or terminate your access at any time, with or without cause or notice. Terminations for breach of Terms do not qualify for refunds.

## **19. Modifications**

Cryptohub may modify these Terms at any time. Material changes will be communicated through our Discord server or website. Continued use constitutes acceptance.
