- Upgrades or add-ons

No exceptions will be made beyond the 3-day period.

5. Abuse & Fraud Prevention

We reserve the right to deny refund requests if we determine:

- The policy is being abused (e.g., repeated refund requests)

- The account has violated our Terms of Service

Accounts found abusing the system may be permanently banned without refund.

6. Subscription Cancellations

You may cancel your subscription at any time. However:

- Cancellation prevents future billing only
