

Refund Policy

Effective Date: April 8, 2026

1. The "One Single Cent" Guarantee

We confidently stand by the methods taught in our guide. If you purchase TimeShift, follow the step-by-step instructions exactly as shown, and are forced to spend even one single cent on software or tools to successfully make your video, we will refund 100% of your money.

- **Claims Process:** To claim a refund, email us at support@sitesondrou.cz detailing exactly where you encountered a paywall while following the guide. We will issue a full refund to your original payment method, no questions asked.

2. Standard EU Right of Withdrawal (Digital Goods)

- **General Consumer Rights:** Under EU consumer law, you typically have a 14-day right to withdraw from online purchases.
- **Digital Delivery Exception:** Because TimeShift is a digital product delivered instantly, agreeing to these terms at checkout means you expressly consent to the immediate delivery of the digital content. By doing so, you acknowledge that you lose your standard 14-day right of withdrawal once the content has been accessed or downloaded.
- **Guarantee Protection:** Please note that the loss of your standard 14-day withdrawal right does not affect your ability to claim a refund under our specific "One Single Cent" Guarantee outlined above.

3. Policy Modifications

The Company reserves the right to amend this Refund Policy at any time. Any changes will be effective immediately upon being published on our website and will be communicated to active customers via email. Any purchases made prior to policy modifications will always be governed by the Refund Policy that was in effect at the exact time of the original transaction.
