

FSD-X ORB PRO

Disclosures
Last Updated: May 2026

SECTION 01

Educational Use Only

FSD-X ORB PRO is a discretionary, rules-based trading framework and analytical indicator designed to support decision-making around Opening Range Breakout (ORB) trading.

- The indicator does not provide trade signals
- The indicator is not financial advice
- No content provided should be interpreted as a recommendation to buy or sell any financial instrument

You are solely responsible for your trading decisions, risk management, and execution.

SECTION 02

Risk Disclosure & No Guarantees

Trading involves substantial risk and may result in partial or total loss of capital.

- Past performance does not guarantee future results
- Market conditions, execution, slippage, and risk management materially impact outcomes
- No guarantees of profitability or performance are made or implied

Use the indicator only with capital you can afford to lose.

SECTION 03

Access & Account Limitations

Access to FSD-X ORB PRO is granted manually and is limited to:

- One Discord account per user
- One TradingView username per user

Sharing, reselling, transferring, duplicating, or redistributing access is strictly prohibited and may result in immediate termination without refund.

SECTION 04

Trial Access & Abuse Policy

Free trials, when offered, are limited to one trial per individual.

- The use of multiple accounts, identities, Discord accounts, TradingView usernames, or any method intended to extend, repeat, or bypass trial limitations is prohibited and may result in immediate termination of access.

SECTION 05

Billing, Refunds & Cancellations

- Subscriptions may include a free trial period where applicable
- Users may cancel at any time during the trial to avoid being charged
- Once a billing cycle begins, all fees are non-refundable

Charges are for access to tools and resources, not trading outcomes or results.

SECTION 06

Pricing Changes & Grandfathering

FSD-X reserves the right to modify pricing, trial availability, features, or subscription terms for new members at any time. Existing subscribers may retain their current pricing at FSD-X's discretion.

Grandfathered pricing is not guaranteed and may be revoked if:

- Terms are violated
- Access is abused
- Accounts are shared or misused

SECTION 07

Lifetime Access (If Offered)

Lifetime access, if offered, applies only to:

- The original purchasing Discord account
- The associated TradingView username

Lifetime access does not guarantee perpetual updates, features, or support and may be modified or revoked if access terms are violated.

SECTION 08

Termination of Access

FSD-X reserves the right to suspend or terminate access at any time for:

- Violations of these Terms

- Abuse of trials or pricing
 - Account sharing or misuse
- Termination may occur without refund.

SECTION 09

Limitation of Liability

FSD-X, its operators, and affiliates shall not be held liable for:

- Trading losses
- Missed opportunities
- Technical issues or platform outages
- Misuse or misinterpretation of the indicator

Use of the Service is entirely at your own risk.

SECTION 10

Acceptance of Terms

By subscribing, accessing, or using FSD-X ORB PRO, you confirm that you:

- Understand this is not a signal service
- Accept full responsibility for your trading
- Agree to all terms outlined above

SECTION 11

Futures Trading Risk Disclosure

CFTC REQUIRED DISCLOSURE: Trading futures and forex involves substantial risk of loss and is not appropriate for all investors. Past performance is not necessarily indicative of future results. The risk of loss in futures trading can be substantial. You should therefore carefully consider whether such trading is suitable for you in light of your financial condition. Only risk capital should be used when trading

futures. If you cannot afford to sustain a loss, you should not trade futures.

- Futures and forex trading contains substantial risk and is not for every investor
- An investor could potentially lose all or more than the initial investment
- Risk capital is money that can be lost without jeopardizing one's financial security or lifestyle
- Only risk capital should be used for trading and only those with sufficient risk capital should consider trading

— Past performance is not necessarily indicative of future results

SECTION 12

Affiliate & Vendor Disclosure

FSD-X Trading participates in affiliate and vendor programs with third-party trading platforms and services, including as an official NinjaTrader vendor.

— Links to third-party platforms shared by FSD-X Trading may be affiliate or vendor links — FSD-X Trading may earn a commission or compensation if you click a link and make a purchase — This comes at no additional cost to you
