Effective Date: December 7, 2025

1. AGREEMENT TO TERMS This End-User License Agreement ("Agreement") is a legal contract between you ("Licensee," "Member") and **Exosoft Development Ltd.** ("Licensor," "Company"), operating out of Kelowna, British Columbia. By downloading, installing, copying, or using any Automation Workflows, Templates, Scripts, or CRM snapshots provided by Exosoft Mastery (collectively, the "Software"), you agree to be bound by the terms of this Agreement.

2. GRANT OF LICENSE Subject to your compliance with this Agreement and payment of applicable membership fees, Exosoft Mastery grants you a limited, non-exclusive, non-transferable, revocable license to use the Software as follows:

- **A. For Monthly Subscribers (Gold, Platinum, Diamond):**
 - **Commercial Use:** You may install, configure, and manage the Software on behalf of your **End-User Clients** (third-party businesses who pay you for services).
 - **White-Labeling:** You may rebrand the output of the Software as your own agency's work.
 - **Active Status:** This license is valid only while your subscription is active and in good standing.
- **B. For Lifetime Members:**
 - **Perpetual License:** You are granted a perpetual, irrevocable (except for breach of terms) license to use the Software downloaded during the existence of the Exosoft Mastery community.
 - **Scope:** All other commercial use and white-labeling rights apply.

3. RESTRICTIONS ON USE (THE "NO-COMPETE" CLAUSE) You generally have the right to sell the *result* or the *implementation* of the software, but not the *source* of the software itself.

- **No Resale of Source Code:** You may NOT sell, rent, lease, sublicense, or distribute the raw JSON files, Python scripts, or N8n templates to other agencies, developers, or educational platforms.
- **No Competing Educational Products:** You may NOT use the Software or the accompanying training materials to create a competing course, coaching program, or "automation library" business.
- **No Public Repositories:** You may NOT upload the Software to public GitHub repositories, forums, or file-sharing sites.

4. INTELLECTUAL PROPERTY RIGHTS

- **Ownership:** The Software is licensed, not sold. Exosoft Mastery (and its development partners, OLAKE LLC) retains all ownership, right, title, and interest in and to the Software, including all intellectual property rights therein.
- **Derivative Works:** Any modifications or customizations you make to the Software for your clients are yours to use, but the underlying core code remains the property of Exosoft Mastery.

5. THE EXOSOFT CRM (DIAMOND/LIFETIME USERS)

- **Platform Dependency:** The Exosoft CRM is built upon the GoHighLevel (GHL) platform. This License allows you access to the Exosoft Snapshot/Sub-account configuration.
- **Third-Party Terms:** Your use of the CRM is subject to the Terms of Service of GoHighLevel. Exosoft Mastery is not responsible for any suspension of service initiated by GoHighLevel.

6. DISCLAIMER OF WARRANTIES ("AS-IS") The Software is provided "AS IS" without warranty of any kind.

- Exosoft Mastery disclaims all warranties, express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, and non-infringement.
- We do not guarantee that the Software will meet your requirements, that it will be compatible with your clients' systems, or that its operation will be uninterrupted or error-free.
- **Client Responsibility:** You are solely responsible for testing the Software before deploying it to a live client environment.

7. LIMITATION OF LIABILITY To the maximum extent permitted by applicable law in British Columbia:

- In no event shall Exosoft Mastery be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of business profits, business interruption, loss of business information, or data corruption) arising out of the use of or inability to use the Software.
- **Liability Cap:** Our entire liability under any provision of this Agreement shall be limited to the amount actually paid by you for the specific asset or one month of subscription fees.

8. TERMINATION

- **By Licensor:** We may terminate this License immediately if you breach any term of this Agreement (e.g., leaking code to a competitor).
- **Effect of Termination:** Upon termination, you must cease all use of the Software for **new** client deployments. (For clarity: You generally do not need to rip the code out of *existing* paying clients' businesses, but you lose the right to sell or deploy the assets to any new clients).

9. GOVERNING LAW This Agreement shall be governed by and construed in accordance with the laws of the **Province of British Columbia, Canada**. Any legal action or proceeding arising under this Agreement will be brought exclusively in the courts located in **Kelowna, British Columbia**.
