

QUANTFLOW CAPITAL

Options - Futures - Education

Legal Documents

Effective Date: April 03, 2026

This document contains three sections: Terms of Service, Not Financial Advice Disclaimer, and Privacy Policy. By accessing or using any QuantFlow Capital services, you agree to all three sections.

Contents

Section 1 — Terms of Service

Section 2 — Not Financial Advice Disclaimer

Section 3 — Privacy Policy

Section 1 — Terms of Service

Effective Date: April 03, 2026

1. Acceptance of Terms

By accessing or using any QuantFlow Capital LLC products, services, Discord community, course materials, or signals, you agree to be bound by these Terms of Service. If you do not agree to these terms, do not access or use our services.

2. Description of Services

QuantFlow Capital provides educational content related to options and futures trading through a paid Discord community membership. Services include written course modules, video lessons, daily market discussion, trade signals for educational purposes, live Q&A; sessions, and community access. All content is for educational purposes only and does not constitute financial advice.

3. Membership and Payment

Membership is offered on a recurring monthly subscription basis at the following tiers: Basic (\$29/month), Premium (\$79/month), and VIP (\$199/month). Payment is processed through Whop and Stripe. By subscribing, you authorize QuantFlow Capital to charge your payment method on a recurring monthly basis until you cancel. All prices are in US dollars.

4. Cancellation and Refunds

You may cancel your membership at any time through your Whop account. Cancellation takes effect at the end of the current billing period. No partial refunds are provided for unused portions of a billing period. QuantFlow Capital reserves the right to offer refunds at its discretion on a case by case basis. All sales are final unless otherwise stated.

5. Acceptable Use

Members may not share, redistribute, resell, or reproduce any QuantFlow Capital content outside of the Discord community without express written permission. Members may not share their Discord access with non-members. Members must treat all community members and staff with respect. Violation of these terms may result in immediate termination of membership without refund.

6. Intellectual Property

All content provided by QuantFlow Capital including course materials, videos, signals, graphics, and logos are the intellectual property of QuantFlow Capital LLC. Members are granted a limited, non-exclusive, non-transferable license to access content for personal educational use only during their active membership period.

7. Disclaimer of Warranties

QuantFlow Capital provides all services on an as-is and as-available basis without warranties of any kind. We do not warrant that services will be uninterrupted or error-free, or that any particular trading outcome will result from use of our educational content.

8. Limitation of Liability

To the maximum extent permitted by law, QuantFlow Capital LLC shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from your use of our services or any trading decisions made based on our educational content. Our total liability shall not exceed the amount paid by you in the three months preceding the claim.

9. Modifications

QuantFlow Capital reserves the right to modify these Terms of Service at any time. Continued use of our services after changes constitutes acceptance of the updated terms. We will notify members of material changes via the Discord announcements channel.

10. Governing Law

These Terms of Service shall be governed by and construed in accordance with the laws of the State of Louisiana, without regard to its conflict of law provisions. Any disputes shall be resolved in the courts of Louisiana.

11. Contact

For questions regarding these Terms of Service, please contact us through the QuantFlow Capital Discord server or via Whop support.

Section 2 — Not Financial Advice Disclaimer

Effective Date: April 03, 2026

IMPORTANT - PLEASE READ CAREFULLY

1. Educational Purpose Only

All content, signals, analysis, commentary, course materials, videos, written modules, Discord messages, and any other information provided by QuantFlow Capital LLC is intended solely for educational and informational purposes. Nothing provided by QuantFlow Capital constitutes financial advice, investment advice, trading advice, or any other type of advice.

2. No Financial Advisor Relationship

QuantFlow Capital is not a registered investment advisor, broker-dealer, financial planner, or fiduciary. No content provided should be construed as a recommendation to buy, sell, or hold any security, futures contract, options contract, or any other financial instrument. No client or advisory relationship is formed by your membership or participation in our community.

3. Past Performance

Any historical performance data, backtested results, simulated results, or hypothetical performance figures shared by QuantFlow Capital are for illustrative purposes only. Past performance is not indicative of future results. Trading and investing involve substantial risk of loss and are not appropriate for all individuals.

4. Risk of Loss

Options trading, futures trading, and all forms of active trading involve significant risk of financial loss, including the possible loss of all capital invested. You should only trade with capital you can afford to lose. Before trading, carefully consider your financial situation, risk tolerance, and investment objectives.

5. Daily Signals

Any signals, trade setups, or market commentary shared within the QuantFlow Capital Discord community are provided for educational purposes only. They do not constitute a recommendation to execute any particular trade. Members are solely responsible for their own trading decisions and any

resulting gains or losses.

6. Consult a Professional

Before making any financial or investment decisions, consult with a qualified financial advisor, tax professional, or other appropriate professional who can assess your individual circumstances and provide personalized advice tailored to your specific situation.

7. No Guarantees

QuantFlow Capital makes no representations or warranties regarding the accuracy, completeness, or timeliness of any information provided. We do not guarantee any specific outcome, profit, or result from following our educational content or signals.

8. Acknowledgment

By becoming a member of QuantFlow Capital and accessing our content, signals, or community, you acknowledge that you have read, understood, and agree to this disclaimer. You acknowledge that all trading decisions are made solely at your own risk and discretion.

Section 3 — Privacy Policy

Effective Date: April 03, 2026

1. Information We Collect

When you subscribe to QuantFlow Capital through Whop, we collect information necessary to provide our services. This includes your name, email address, payment information processed securely through Stripe, Discord username, and membership tier. We do not store payment card details directly — all payment processing is handled by Stripe.

2. How We Use Your Information

We use the information we collect to provide and manage your membership access, process payments and send payment confirmations, communicate important updates about our services via Discord and email, assign appropriate Discord roles based on your membership tier, and improve our educational content and services.

3. Information Sharing

We do not sell your personal information to third parties. We share your information only with service providers necessary to operate our services including Whop for membership management, Stripe for payment processing, and Discord for community access. These providers are bound by their own privacy policies and data protection agreements.

4. Discord Data

By joining our Discord server, you are also subject to Discord's Privacy Policy and Terms of Service. QuantFlow Capital can see your Discord username and activity within our server. We do not collect or store Discord messages outside of the Discord platform.

5. Data Security

We take reasonable measures to protect your information from unauthorized access, disclosure, or misuse. However, no method of transmission over the internet or electronic storage is 100% secure. We cannot guarantee absolute security of your information.

6. Data Retention

We retain your information for as long as your membership is active and for a reasonable period afterward for record keeping purposes. You may request deletion of your personal information by contacting us through Discord or Whop support.

7. Your Rights

You have the right to access the personal information we hold about you, request correction of inaccurate information, request deletion of your personal information, and cancel your membership at any time. To exercise these rights, contact us through our Discord server or Whop support.

8. Cookies

Our services operate through Whop and Discord, which may use cookies and similar tracking technologies. Please refer to Whop's and Discord's respective privacy policies for information about how they use cookies.

9. Children's Privacy

Our services are not directed to individuals under the age of 18. We do not knowingly collect personal information from minors. If you believe a minor has provided us with personal information, please contact us immediately.

10. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify members of significant changes through our Discord announcements channel. Continued use of our services after changes constitutes acceptance of the updated policy.

11. Contact Us

If you have questions or concerns about this Privacy Policy or how we handle your personal information, please contact us through the QuantFlow Capital Discord server or via Whop support.
