

TERMS OF SERVICE

By accessing this website or purchasing access to our community, you agree to the following terms.

1. Service Description

Our platform provides access to an online educational community focused on trading education, market analysis, and mentorship discussions.

2. No Financial Advice

All content provided on this website and inside the community is for educational and informational purposes only and does not constitute financial, investment, or trading advice.

I am not a licensed financial advisor. No content shared within the community is intended to be, nor should it be construed as, personalized investment advice.

3. Risk Disclosure

Trading financial markets (including but not limited to forex, cryptocurrencies, futures, stocks, and CFDs) carries a high level of risk and may not be suitable for all investors. You could lose some or all of your invested capital.

Past performance of any trading strategy, system, or individual trader does not guarantee future results. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown.

You should never trade with money you cannot afford to lose. If you do not fully understand these risks, seek advice from an independent licensed financial advisor.

4. No Guarantees / Earnings Claims

I do not guarantee any specific trading outcomes, profits, or success in passing funded trading challenges (such as FTMO, MyFundedFutures, or similar). Your results depend entirely on your own effort, discipline, risk management, and market conditions.

Any examples of trading results shared inside the community or on the website are for educational and illustrative purposes only and do not imply that you will achieve similar results.

5. User Responsibilities

Users are responsible for their own financial decisions and use the information provided at their own risk.

6. Community Conduct

Users must behave respectfully within the community and follow any community rules provided.

7. Account Access

Access to the community is for personal use only and may not be shared, resold, or redistributed.

8. Eligibility

By purchasing access, you confirm that you are at least 18 years old (or the legal age of majority in your jurisdiction). Our service is not intended for individuals under 18.

9. Refund Policy

Due to the digital nature of the products and services offered (instant access to educational content, community, and mentorship), all sales are final and no refunds are provided.

If a 7-day money-back guarantee is offered for a specific product, that will be clearly stated on the product page. Otherwise, no refunds.

Chargebacks initiated for non-qualifying reasons may result in permanent ban from all services and legal action to recover fees.

10. Modification of Services

We reserve the right to modify or discontinue any part of the service at any time without prior notice.
