

Privacy Policy

Privacy Policy – AlgoStride & Related Indicators/Strategies

We respect your privacy and are committed to protecting any personal information that may be collected in connection with our indicators, strategies, and store. This Privacy Policy explains how we handle your information.

1. Information We Collect

We do not collect personal financial data, trading data, or sensitive information through our indicators and strategies. The only information we may have access to is the information you provide voluntarily when you contact us or purchase our products through platforms such as TradingView or other marketplaces.

2. Use of Information

Any information you provide is used solely for:

- Processing your purchases
- Providing access to our indicators and strategies
- Responding to your questions or support requests
- Improving our products and services

3. Sharing of Information

We do not sell, trade, or rent your personal information to third parties. Information may only be shared when required to:

Privacy Policy

- Comply with legal obligations
- Resolve disputes or enforce our rights
- Work with trusted service providers who assist in operating our business (such as payment or platform providers)

4. Data Security

We take reasonable steps to protect your personal information against unauthorized access, alteration, disclosure, or destruction. However, no system is completely secure, and we cannot guarantee absolute security of your information.

5. Third-Party Platforms

Our products may be purchased or accessed through platforms such as TradingView. These platforms have their own privacy policies and terms, and we encourage you to review them, as we are not responsible for how they handle your data.

6. Changes to This Policy

We reserve the right to update or modify this Privacy Policy at any time. Changes will take effect immediately when posted. By continuing to use our products after changes are made, you agree to the updated policy.

7. Contact Us

If you have questions or concerns about this Privacy Policy or how your information is handled, please contact us directly through the communication channels provided in our store or product pages.
