

Return & Refund Policy

AdaptAlgo & Related Indicators / Strategies

All of our products, including AdaptAlgo and all related indicators and strategies, are digital goods. Once purchased and delivered, they cannot be returned or refunded. By purchasing our products, you acknowledge and agree to this policy.

1. No Refunds

Due to the nature of digital products, all sales are final. We do not offer refunds, exchanges or cancellations once access to an indicator or strategy has been granted.

2. Exceptions

Refunds may only be considered if:

- You were charged more than once for the same product due to a technical error
- You did not receive access to the product after purchase and support is unable to resolve the issue

3. Product Functionality

We test our indicators and strategies carefully before release. However, we do not guarantee that they will be free of bugs, errors or interruptions. Updates and improvements may be made at our discretion.

4. Responsibility

You are responsible for ensuring compatibility with your TradingView account or platform before purchasing. We are not liable for any issues caused by incorrect setup, misuse or misunderstanding of how our tools work.

5. Contact Us

If you believe you qualify for an exception under this policy, please contact us at adaptalgo@gmail.com or through the official communication channels provided in our store or product pages.

By purchasing and using our products, you agree to this Return & Refund Policy.
