

Return Policy – Trading Ark

Effective Date - 5/8/2026

All purchases made through Trading Ark are considered final.

1. Digital Product Policy

Trading Ark provides immediate access to:

- digital educational materials
- community access
- Discord channels
- livestreams
- educational content

Because access is delivered immediately, all sales are final.

2. Refund Eligibility

Refunds are not guaranteed.

Refunds may only be granted at the sole discretion of Trading Ark if probable cause exists, including:

- duplicate charges
- billing errors
- technical access issues caused directly by Trading Ark

Refund requests based on:

- trading losses
- lack of profitability
- failure to follow strategies
- emotional dissatisfaction
- funded account failure
- inactivity

will generally not qualify.

3. Chargebacks

Fraudulent chargebacks or payment disputes may result in:

- immediate account termination
- permanent bans
- debt collection efforts
- legal action where applicable
