HEAL – DIGITAL PRODUCT

These terms and conditions apply to the purchase of the HEAL digital product — a pre-recorded, on-demand transformational experience delivered online (the “Program”). Please review them carefully, as they govern your access to all recordings, materials, and related content.

By completing your purchase, you confirm that you are 18 years or older and that you have read, understood, and agreed to these terms and conditions. These terms apply to the digital product only. Purchases of any live HEAL event were and remain governed by the separate terms that were in effect at the time of that purchase.

Nature of the Product & Access

The HEAL digital product consists of pre-recorded content made available to you online for on-demand viewing. This is a digital product. No live session, facilitator, or real-time interaction is included.

Access is granted immediately upon completion of your purchase and is delivered digitally. The duration of your access depends on the product or access tier you purchase, as described at the point of sale. You are responsible for having a stable internet connection and a compatible device to view the content.

Immediate Access Acknowledgment

Because this is digital content delivered immediately, you acknowledge and agree that you are requesting and consenting to immediate access to the Program upon purchase. Where applicable law provides a cancellation, withdrawal, or “cooling-off” period for digital content, you acknowledge that by accessing the content immediately you expressly consent to begin access at once and understand that this may result in the loss of any such cancellation right to the extent permitted by law.

Refund Policy

All sales are final. Except where a refund is required by applicable law, no

refunds, credits, or exchanges will be issued for the HEAL digital product under any circumstances. This applies to the recording and to any period of access to the recording.

Your purchase covers the digital delivery of the pre-recorded content and associated materials for the access duration tied to your purchase. Whether or how much of the content you choose to view does not affect this policy and does not qualify you for a refund or credit.

Breathwork, Meditation & Sensitive Content

The Program includes guided breathwork and/or meditation, as well as content that may explore topics such as intimacy and emotional healing.

Because this is a pre-recorded product you may view on your

own, please take particular care to view it in a safe, comfortable, distraction-free environment where you will not be disturbed.

Do not participate in breathwork while driving, operating machinery, in or near water, or in any situation where a change in your physical or mental state could be dangerous. If you are pregnant, we recommend substituting breathwork with meditation.

Morel Global Inc. is not liable for any personal injury, emotional distress, or loss of or damage to personal property arising from your participation in the Program.

Medical Responsibility

You certify that you do not have any medical or physical condition that would impair or affect your ability to engage in any activities involving physical and/or emotional release, or that would create any risk of harm to you while participating in the breathwork and/or meditation content. If you have any doubt about whether you should participate, consult your doctor, physician, or therapist before participating in the breathwork and/or meditation sessions.

Because you are viewing this content on your own and without live supervision, you agree that you are solely responsible for monitoring your own well-being. If at any point you experience any physical symptom or sensation that you feel

could be a danger to your well-being, you will immediately stop participating.

You agree to assume full responsibility for your own physical, emotional, and mental health, and to hold harmless Morel Global Inc. and any of its facilitators, apprentices, employees, or contractors from any physical, emotional, and/or mental harm that may be attributed to your participation in the Program. You further hold harmless Morel Global Inc. from any and all loss, liability, injury, damage, or cost that may arise out of or in connection with your participation in the breathwork and/or meditation content.

Media & Recording Consent

The HEAL digital product is a recording of a HEAL experience and may include the image, voice, comments, or testimonials of participants who took part in the original session. By purchasing and viewing the Program, you acknowledge that such recordings may appear in the content you access.

The Program and all of its content — including all recordings, materials, and related assets — are the property of Morel Global Inc. and are provided for your personal, non-commercial use only. You may not copy, record, screen-capture, download (except where a download is expressly provided), redistribute, share, resell, publicly display, or otherwise reproduce any part of the Program without the prior written permission of Morel Global Inc. Your access is personal to you and may not be shared with or transferred to any other person.

Governing Law

These terms are governed by the laws of [INSERT GOVERNING JURISDICTION], without regard to its conflict-of-laws principles. Nothing in these terms limits any rights you may have under the mandatory consumer-protection laws of your country of residence that cannot be waived by agreement.
