## Bravo Backtest ICT Indicator

Last Updated: 19 June 2026

This Privacy Policy explains how Bravo Backtest collects, uses, stores, and shares personal information when you visit our website, purchase the Bravo Backtest ICT Indicator, request access, contact support, or interact with our official platforms.

By purchasing or using the Bravo Backtest ICT Indicator, you agree to the collection and use of information as described in this Privacy Policy.

### 1. Information We Collect

We only aim to collect information that is necessary to provide access to the Bravo Backtest ICT Indicator, process orders, provide support, protect our product, and communicate with customers.

The personal information we may collect includes:

- Your TradingView username, so we can grant invite-only access to the indicator.
- Your email address, so we can identify your order, contact you about access, provide support, and send product-related messages.
- Your name, username, or profile details if they are provided through Whop, email, Instagram, or another official support channel.
- Purchase and order information, such as order status, payment confirmation, discount or affiliate code used, and purchase date. We do not intentionally collect or store full card details; payment information is handled by the relevant payment platform or processor.
- Support messages, questions, feedback, bug reports, or other information you choose to send us.
- Basic website, device, or analytics information may be collected automatically if our website, checkout platform, or third-party tools use cookies, pixels, logs, or similar technologies.

### 2. How We Use Your Information

- To confirm your purchase and provide access to the Bravo Backtest ICT Indicator.
- To add, update, or remove TradingView invite-only access.
- To contact you about your order, access status, product updates, support issues, or important policy changes.
- To respond to your questions, requests, refund reviews, technical issues, or support messages.
- To protect Bravo Backtest from fraud, chargebacks, abuse, unauthorized access attempts, copying, resale, or misuse of the indicator.
- To manage affiliate codes, discounts, referrals, and promotional tracking where applicable.
- To comply with legal, tax, accounting, platform, or regulatory requirements.

### 3. Legal Basis and Purpose for Processing

We process personal information for lawful and legitimate business purposes, including fulfilling your purchase, providing access to the product, communicating with you, protecting our rights, and complying with applicable laws. Where required, we will rely on your consent for specific uses such as optional marketing communications.

### 4. Sharing of Information

We do not sell your personal information. We may share limited information only when reasonably necessary for the operation of Bravo Backtest and the Bravo Backtest ICT Indicator.

- TradingView, to provide invite-only access to the indicator using your TradingView username.
- Whop, payment processors, checkout platforms, or similar service providers used to process purchases, manage access, or handle order information.

- Email, website, analytics, hosting, automation, customer support, or communication tools used to run our business.
- Affiliates or partners only where necessary to track discount codes, referrals, or commissions, and only to the extent relevant to that relationship.
- Legal, regulatory, tax, banking, or enforcement parties if required by law, platform rules, fraud prevention, or to protect our rights.

## 5. International Platforms and Transfers

Some of the platforms we use, such as TradingView, Whop, email providers, website providers, analytics tools, or payment processors, may store or process information outside South Africa. By purchasing or using the Bravo Backtest ICT Indicator, you understand that your information may be processed in other countries where those service providers operate.

## 6. Data Security

We take reasonable steps to protect personal information against loss, unauthorized access, misuse, disclosure, alteration, or destruction. However, no online system, website, payment platform, email system, or third-party service can be guaranteed to be completely secure.

## 7. Data Retention

We keep personal information only for as long as reasonably necessary for the purposes described in this Privacy Policy, including providing access, support, order records, fraud prevention, legal compliance, tax/accounting records, dispute handling, and business recordkeeping. When information is no longer needed, we may delete, anonymize, or securely retain it where legally required.

## 8. Your Rights

Depending on the laws that apply to you, you may have rights to access, correct, update, delete, object to, or restrict certain uses of your personal information. You may also ask us what personal information we hold about you and request that incorrect information be corrected.

- To request a correction to your email address or TradingView username, contact us through one of the official channels listed below.
- If you ask us to delete information that is required to provide access, manage your order, or comply with legal obligations, we may no longer be able to provide the product or related support.
- We may need to verify your identity before completing certain privacy requests.

## 9. Marketing Communications

We may contact customers about important product updates, access issues, policy changes, or service-related matters. We will not intentionally send unrelated marketing messages without a valid reason or required consent. If we send optional marketing emails, you may unsubscribe or ask us to stop sending those messages.

## 10. Cookies and Website Tracking

Our website, checkout platform, or third-party tools may use cookies, pixels, analytics, logs, or similar technologies to operate the website, understand traffic, improve performance, prevent fraud, or support marketing and affiliate tracking. The tools used may change over time depending on our website and checkout setup.

## 11. Children and Minors

The Bravo Backtest ICT Indicator is not intended for children. We do not knowingly collect personal information from children. If we become aware that we have collected personal information from a child without appropriate consent, we may delete that information.

## 12. Third-Party Platforms

The Bravo Backtest ICT Indicator is provided through TradingView, and purchases or access management may be handled through Whop or another approved platform. These third-party platforms have their own privacy policies and terms. We are not responsible for the privacy practices, security practices, rules, or systems of those third-party platforms.

## 13. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. The latest version will apply once posted on our website, Whop page, or another official Bravo Backtest platform. Continued use of the Bravo Backtest ICT Indicator after changes are posted means you accept the updated Privacy Policy.
