

Refund Policy

A1 Trades | Effective Date: June 9, 2026

This Refund Policy applies to all purchases made through A1 Trades's Whop store, including monthly subscriptions and lifetime memberships (collectively, the "Memberships"). By purchasing a Membership, you agree to the terms outlined below.

1. Digital Products and Educational Content

A1 Trades provides access to digital content, including trade alerts, educational materials, recap videos, and community access. Because access to this Content is granted immediately upon purchase, all sales are generally final, except as described in this policy.

2. Free Trials

If a free trial is offered on a Membership plan, you may cancel at any time during the trial period to avoid being charged. If you do not cancel before the trial ends, your payment method will automatically be charged for the selected plan, and the standard refund terms below will apply.

3. Monthly Subscriptions

- You may cancel your monthly subscription at any time through your Whop account dashboard.
- Cancellation stops future billing but does not provide a refund for the current billing period already paid.
- You will retain access to paid Content through the end of the billing period in which you cancelled.

4. Lifetime Memberships

- Lifetime Memberships are a one-time payment for ongoing access to current and future Content as described at the time of purchase.
- Refund requests for Lifetime Memberships will be considered on a case-by-case basis and must be submitted within 7 days of purchase, provided minimal use of the Content/community has occurred.
- Refunds requested after 7 days, or after substantial use of paid Content (e.g., access to private videos, alerts, or premium channels), will not be granted.

5. How to Request a Refund

To request a refund, contact us at support@akitrades.com with your order details (email used for purchase, date of purchase, and reason for the request). Refund requests are reviewed individually and approved at our sole discretion in accordance with this policy.

6. Chargebacks

If you initiate a chargeback or payment dispute without first contacting us to resolve the issue, we reserve the right to immediately revoke your access to all Content and community channels, regardless of the outcome of the dispute.

7. No Guarantee of Results

Refunds will not be issued on the basis of trading losses, dissatisfaction with trade outcomes, or because results did not meet expectations. As stated in our Terms of Service, A1 Trades does not guarantee any specific trading results, and all Content is provided for educational and informational purposes only.

8. Plan Changes

If you upgrade or downgrade your Membership plan, billing adjustments will be handled through Whop's billing system. Downgrades take effect at the start of the next billing cycle; no partial refunds are issued for the difference in plan pricing during an active billing period.
