Intellectual Property Protection

All content provided through TalkWise Academy, including videos, lessons, exercises, worksheets, graphics, logos, demonstrations, curriculum, and platform structure is the exclusive intellectual property of TalkWise Academy.

Users are granted a limited, non-transferable license to use the content only for personal educational purposes within the platform.

Users may NOT:

copy, reproduce, screenshot, record, share, upload, sell, distribute, teach, sublicense, or use TalkWise content in any business, course, coaching program, or competing service.

Sharing login credentials or redistributing content is strictly prohibited.

Violation may result in:

termination of access without refund, permanent ban, legal action, recovery of damages, and court costs.

TalkWise Academy reserves the right to pursue injunctive relief to prevent unauthorized use of its intellectual property.

Affiliates may only use approved platform promotional images. Lesson content and videos may not be shared.
