

Refund Policy

At Heaven, we stand behind the quality of our services and the value we deliver to every agent we work with.

We offer a 6-Month Money-Back Guarantee to ensure your investment is completely risk-free.

If, after completing your 6 months of service, you have not closed at least one transaction through the leads we provided, you are eligible to request a full refund.

To qualify for the refund, our team will verify that:

- Completion of the full six-month service period.
- No closed transactions sourced from Lead Heaven referrals.
- No active communication, showings, negotiations, or under-contract clients provided by Heaven.
- Note: This policy only applies to Heaven Pro and Heaven Dominator.

If any of these activities are in progress, the refund will be temporarily withheld until the outcome of those opportunities is confirmed. Once verified, we'll process the refund accordingly.

This policy is designed to keep the process fair, transparent, and performance-based, ensuring that every agent gets the full benefit of our 6-month program.
