If you do not agree to all the terms and conditions of this agreement, you may not access or use the Service. These terms apply to all visitors, users, and others who access the Service.

2. Description of Service

GETPRO Algo provides a technical analysis indicator ("the Indicator") published on the TradingView platform. The Indicator is a software tool designed to assist traders in identifying potential market patterns based on historical price data. It does not execute trades, manage funds, provide personalized investment advice, or place orders on your behalf.

3. Eligibility

You must be at least 18 years of age to use the Service. By agreeing to these Terms, you represent and warrant that you are at least 18 years of age and have the legal capacity to enter into a binding contract.

4. Purchases and Billing

Access to the Indicator is provided through subscription plans processed via Whop. By subscribing, you agree to pay all fees associated with your chosen plan. Subscriptions automatically renew

unless cancelled before the renewal date. You are responsible for maintaining accurate billing information.

All payments are processed by Whop and subject to their payment terms. GETPRO Algo does not store your payment information.

5. Refund Policy

All sales are final and no refunds will be issued after a purchase is completed. Subscriptions can be cancelled at any time directly from your account to prevent future renewals, but already-paid periods are non-refundable. We encourage you to review the product details, examples and FAQ on our website carefully before subscribing to ensure the Indicator meets your expectations.

6. Intellectual Property

The Indicator, its source code, visual design, documentation, and all associated content are the exclusive intellectual property of GETPRO Algo.
