The Full Trading Psychology Intensive

1. Educational Purposes Only

This course is provided for educational and informational purposes only. The content focuses on trading psychology, mindset, emotional discipline, decision-making, behavioral awareness, and personal development in market-related contexts. Nothing in this course should be interpreted as financial, investment, legal, tax, accounting, or professional advice.

2. No Financial Advice or Recommendations

The course provider, instructors, contributors, and any affiliated parties do not provide personalized investment advice, trading recommendations, financial planning, broker recommendations, signals, alerts, or instructions to buy, sell, hold, or trade any security, asset, currency, derivative, commodity, cryptocurrency, or financial instrument. Any examples, charts, scenarios, or market references are presented strictly for illustrative and educational purposes.

3. Trading Risk Disclosure

Trading and investing involve substantial risk, including the possible loss of some or all of your capital. Market conditions can change rapidly, and psychological discipline does not eliminate financial risk. Past performance, examples, case studies, or hypothetical outcomes do not guarantee future results.

4. Personal Responsibility

You are solely responsible for your own financial decisions, trading activity, risk management, account security, and compliance with applicable laws and regulations in your jurisdiction. Before making any trading or investment decision, you should conduct your own research and consider consulting a qualified financial, legal, tax, or investment professional.

5. No Guarantees of Results

Participation in this course does not guarantee improved trading performance, profitability, emotional control, income, financial gain, or any specific result. Outcomes vary based on individual experience, market conditions, discipline, risk tolerance, education, financial situation, and personal decision-making.

6. Payment, Access, and Refunds

By purchasing the course, you agree to pay the stated price and any applicable taxes or fees. Course access may be delivered through a digital platform, membership area, recorded lessons, live sessions, downloadable materials, or other learning resources. Access terms, expiration dates, subscription terms, cancellation rules, and refund eligibility are governed by the specific offer, checkout page, or written policy provided at the time of purchase.

All sales are final. There are absolutely no refunds under any circumstances, including but not limited to non-use of the course, dissatisfaction with the content, inability to access the course due to user-side technical issues, changes in personal circumstances, lack of trading results, or mistaken purchase. Once payment is submitted, the fee is fully earned by the course provider and is non-refundable. The course provider may update, modify, replace, suspend, or discontinue any part of the course at its discretion.

7. Intellectual Property

All course content, including videos, worksheets, templates, recordings, written materials, frameworks, exercises, graphics, and related resources, is owned by the course provider or its licensors and is protected by intellectual property laws. You may use the materials for your own personal learning only. You may not copy, reproduce, distribute, resell, share, publish, upload, teach, modify, or create derivative works from the course materials without prior written permission.

8. Psychological and Wellness Disclaimer

This course may discuss mindset, emotions, discipline, stress, habits, and performance psychology in a general educational context. It is not therapy, counseling, medical treatment, or mental health advice. If you are experiencing significant stress, anxiety, depression, compulsive trading behavior, financial distress, or other mental health concerns, you should seek support from a qualified professional.

9. Limitation of Liability

To the fullest extent permitted by law, the course provider, instructors, employees, contractors, affiliates, and representatives are not liable for any direct, indirect, incidental, consequential, special, punitive, financial, emotional, or trading-related losses arising from your use of the course, reliance on course content, platform access issues, technical interruptions, or any decisions you make before, during, or after participating in the course.

10. Acceptance of Terms

By purchasing, accessing, or participating in this course, you acknowledge that you have read, understood, and agreed to this disclaimer and the applicable terms of service. If you do not agree, you should not purchase, access, or use the course.
