

PRIVACY POLICY — AI TOOLS NAVIGATOR

Your privacy is highly respected. This policy outlines how your information is collected and handled when using AI Tools Navigator.

1. INFORMATION WE COLLECT

When you purchase our product, we collect basic transactional information provided by the platform (such as your name, email address, and payment confirmation) to securely deliver your digital files and manage account authentication.

2. HOW WE USE YOUR DATA

Your information is used strictly to provide access to the digital assets, process automated payouts, and deliver occasional critical updates regarding your product purchase. We do not sell, rent, or lease our customer lists to third parties.

3. SECURITY & PAYMENT PROCESSING

All financial transactions are securely processed through third-party payment gateways (such as PayPal). Your raw financial data and credit card details are encrypted by the processor and are never stored or seen on our local servers.

By using our platform, you consent to the collection and use of information as outlined in this Privacy Policy.
