

RETURN & REFUND POLICY — AI TOOLS NAVIGATOR

At AI Tools Navigator, we stand firmly behind the battle-tested quality of our digital frameworks and guides.

1. ALL SALES ARE FINAL

Due to the instant, downloadable, and digital nature of our 112-page guide ("AI TOOLS FOR WEALTH CREATION") and immediate community access, we enforce a strict NO REFUNDS and NO RETURNS policy.

2. ACKNOWLEDGEMENT OF DELIVERY

Once payment is completed and digital access is granted via the Whop platform, the product is considered fully delivered and consumed. We cannot reverse digital access, and therefore no exceptions to this policy will be made.

If you experience any technical difficulties accessing your files or the community dashboard, please contact support through the platform portal for immediate assistance.
