

Terms of Service

Autopreneurs™ · Last updated: July 8, 2026

These Terms of Service ("Terms") govern your purchase and use of digital products sold by Autopreneurs™ ("Autopreneurs," "we," "us"), operated by Jesenia V., through our storefront on the Whop platform. By completing a purchase, you agree to these Terms.

1. Digital products

All products we sell are digital goods: guides, templates, prompts, playbooks, courses, and related files. They are delivered in full, immediately after purchase, through your Whop account. Nothing physical will be shipped.

2. All sales are final

Because our products are digital and delivered in full at the moment of purchase, all sales are final and no refunds are given. Please read each product page carefully, including who the product is and is not for, before you buy. If you experience a technical problem accessing what you purchased, or you were charged twice for the same product, contact us through Whop support and we will make it right.

3. Your license

Your purchase grants you a personal, non-transferable, non-exclusive license to use the product for your own business or personal use. You may not resell, redistribute, share, publish, or repackage any product or its files, in whole or in part, whether free or paid. The products and all their content remain the intellectual property of Autopreneurs™.

4. No income or results guarantee

Our products teach systems, workflows, and the use of AI tools. We make no promises or guarantees about income, followers, views, sales, or any other results. Outcomes depend on factors we do not control, including your effort, your market, and your business. Anything you build with our products is your responsibility.

5. Third-party tools

Our products reference and work alongside third-party tools such as ChatGPT, Claude, CapCut, and social media platforms. We are not affiliated with these companies, we do not control their pricing, features, or availability, and we are not responsible for changes they make. Any costs for third-party tools are yours.

6. Not professional advice

Nothing in our products is legal, financial, tax, or investment advice. For decisions in those areas, consult a qualified professional.

7. Payments and billing

Payments are processed by Whop and its payment providers. Prices are shown at checkout in USD. Applicable taxes may be added at checkout based on your location.

8. Conduct

Where a product includes access to a community space, you agree to participate respectfully. We may remove access for abusive behavior, spam, or violation of these Terms, without refund.

9. Limitation of liability

To the maximum extent permitted by law, Autopreneurs™ and Jesenia V. are not liable for any indirect, incidental, or consequential damages arising from your purchase or use of our products. Our total liability for any claim is limited to the amount you paid for the product in question.

10. Changes to these Terms

We may update these Terms from time to time. The version posted at the time of your purchase applies to that purchase.

11. Contact

Questions about these Terms or your purchase: reach us through the Whop support chat on our store, or through theautopreneurs.com.
