

END USER LICENSE AGREEMENT

Last updated: May 2026

1. Acceptance of Agreement

This End User License Agreement (“Agreement”) is a legal agreement between you (“User”) and Supernova (“we,” “us,” or “our”) governing your use of the Supernova software (the “Software”). By purchasing, downloading, installing, or using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to these terms, do not install or use the Software.

2. Grant of License

Subject to your compliance with this Agreement, Supernova grants you a limited, personal, non-exclusive, non-transferable, revocable license to install and use one copy of the Software on hardware associated with your account, for the duration of your active subscription.

3. License Restrictions

You agree that you will NOT:

- Share, distribute, or resell your license key to any other person
- Attempt to crack, bypass, or circumvent the license validation system
- Reverse engineer, decompile, or disassemble the Software
- Copy, redistribute, sublicense, or resell the Software or any part of it
- Use the Software for any unlawful purpose

4. Ownership

The Software is licensed, not sold. Supernova and its licensors retain all right, title, and interest in and to the Software, including all intellectual property rights. This Agreement does not grant you any rights to trademarks, service marks, or logos of Supernova.

5. Data Collected for Licensing

To operate the license validation system, the Software collects and stores your email address, a hardware identifier used to bind your license to your device, and, where linked, your Discord username. See our Privacy Policy for further detail on data handling.

6. No Warranty

THE SOFTWARE IS PROVIDED “AS IS” AND “AS AVAILABLE,” WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. SUPERNOVA DOES NOT WARRANT THAT THE SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR UNDETECTED BY ANY THIRD-PARTY SYSTEM.

7. Assumption of Risk & Limitation of Liability

Use of the Software carries an inherent risk of detection or restriction by third-party platforms or services, including potential account suspension or bans. You assume all such risk. To the maximum extent permitted by law, Supernova shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, access, or accounts, arising out of or related to your use of the Software.

8. Term and Termination

This Agreement remains in effect for as long as you use the Software or maintain an active license. We may suspend or terminate your license immediately and without refund if you breach any term of this Agreement. Upon termination, you must cease all use of the Software.

9. Changes to this Agreement

We may modify this Agreement at any time. Continued use of the Software after changes are posted constitutes your acceptance of the revised Agreement.
