

Terms of Service

Last updated: July 26, 2026

These Terms and Conditions ("Terms") govern your use of the FrontierAlgo website (frontieralgo.com) and all products, services, and content provided by Frontier Algo, LLC ("Company," "we," "us," or "our"). By accessing our website or purchasing our products, you agree to be bound by these Terms.

1. Acceptance of Terms

By accessing the FrontierAlgo website, claiming our indicators, or using any of our products or services, you acknowledge that you have read, understood, and agree to be bound by these Terms and all applicable laws and regulations. If you do not agree with any part of these Terms, you must not use our website or products.

2. About FrontierAlgo and the Products / Services

All current FrontierAlgo products are TradingView-exclusive. We provide trading indicators and related educational content for the following platform:

- **TradingView:** invite-only Pine Script indicators accessible via the TradingView platform.

After checkout, you claim your access in your Whop dashboard: open the product, enter your exact TradingView username (case-sensitive), and click **Claim Indicators**. The indicators then appear in TradingView under Indicators → Invite-Only Scripts. There are no files to download and no software to install.

Legacy platforms (no longer sold or supported for new purchases): FrontierAlgo previously offered versions for MetaTrader 5 (MT5) and TradeStation. The Company no longer sells or supports MetaTrader 5 (MT5), MetaTrader 4, or TradeStation for any current product. Customers who previously purchased MT5 or TradeStation versions retain access to what they bought; all new sales, marketing, and support are TradingView-only.

FrontierAlgo is independent of TradingView Inc. We are not authorized agents or representatives of that company. Our products are developed independently using publicly available development tools and documentation. Our products are designed as trading tools and educational resources. They do not guarantee trading profits and should be used in conjunction with your own analysis and risk management practices.

3. License

Upon purchase, you are granted a limited, non-exclusive, non-transferable, revocable license to use our indicators and products for your personal, non-commercial trading purposes, subject to these Terms.

The products currently offered by FrontierAlgo are sold as a **one-time payment with all future updates to the purchased product included**. For these products there is no subscription and no recurring fee, unless otherwise stated at the point of sale. You receive access for the duration of the product's availability on TradingView, a finite period of approximately five to seven years reflecting the full product lifecycle, and not for an open-ended duration.

The detailed terms of this license, including the specific rights granted, permitted account counts, and the activities you may not perform (such as redistributing, reselling, sharing, reverse engineering, decompiling, modifying, or transferring the indicators), are set out in the FrontierAlgo End User License Agreement (EULA), which forms part of these Terms by reference.

4. Payment and Billing

Whop, Inc. is the Merchant of Record for all FrontierAlgo purchases. Whop processes all transactions securely and handles payment processing, billing, sales-tax collection and remittance, refunds, and payment disputes on our behalf. Whop receives the information necessary to complete your purchase (name, email, billing details, payment method). Your purchase is also subject to [Whop's Buyer Terms](#) and [Privacy Policy](#).

All prices are listed in US Dollars unless otherwise specified. Payment is due at the time of purchase.

All purchases are final. No refunds, except as set out in our Return & Refund Policy. Every purchase includes full access, complete training materials, ongoing updates, and full support: 24/7 AI chatbot help on our Support Hub plus dedicated human technical help by email. For payment-related issues that we cannot resolve directly, Whop offers a Resolution Center; for product-related concerns, Whop processes refunds only with our approval. Each FrontierAlgo product is digital content delivered and accessible immediately; by purchasing you agree to that immediate delivery and acknowledge that the 14-day right of withdrawal no longer applies once access begins, including for customers in the EU, EEA, or UK, to the extent permitted by applicable law.

5. Access and Delivery

FrontierAlgo products are invite-only TradingView (Pine Script) indicators. Access to invite-only indicators requires an active TradingView account and acceptance of our indicator invitation. After checkout, you claim the product in your Whop dashboard by entering your exact TradingView username (case-sensitive) and clicking **Claim Indicators**; access then appears in TradingView under Indicators → Invite-Only Scripts. If your access does not appear, contact support@frontieralgo.com with your TradingView username and Whop order ID and we will grant access manually.

6. Acceptable Use

The license granted under these Terms is for your personal trading use only. You **may not** redistribute, resell, share, or give away our indicators; reverse engineer, decompile, or disassemble any indicator; modify or create derivative works; transfer your license to another person; or use the indicator in any commercial capacity without prior written authorization. You also agree not to use the website or products in any manner that violates applicable law or these Terms. The full set of permitted and prohibited uses is detailed in the EULA.

7. No Financial Advice / Risk

The information provided by FrontierAlgo is not intended as and shall not be understood or construed as financial advice, investment advice, trading advice, or any other type of advice. FrontierAlgo is not registered as a securities broker-dealer, investment adviser, or commodity trading advisor with any federal or state regulatory agency, and is not licensed to provide personalized investment advice.

All indicators, strategies, educational content, and analysis provided through FrontierAlgo are intended for informational and educational purposes only. You are solely responsible for evaluating the merits and risks associated with the use of any information, products, or services provided by FrontierAlgo, and you should consult with a qualified financial advisor, attorney, and/or tax professional before making any investment or trading decisions. By using FrontierAlgo products and services, you acknowledge that you are making your own trading decisions and accept full responsibility for those decisions.

Trading carries a substantial risk of loss and is not suitable for every investor. Past performance is not necessarily indicative of future results, and no representation is being made that any account will or is likely to achieve profits or losses similar to those discussed or shown. The full risk warnings, including the CFTC Rule 4.41 hypothetical-performance disclosure, are set out in the [FrontierAlgo Risk Disclosure](#), which you should read in full before purchasing or using any product.

8. Disclaimer of Warranties

Our website, products, and services are provided "as is" and "as available" without any warranties of any kind, either express or implied. We disclaim all warranties, express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement.

Some jurisdictions do not allow the exclusion of certain warranties, so one or more of the above exclusions may not apply to you to the extent prohibited by applicable law.

9. Limitation of Liability

Under no circumstances shall the Company, its owners, employees, affiliates, partners, or content providers be liable for any direct, indirect, incidental, special, consequential, or punitive damages arising out of or related to:

- Your use of or inability to use our products, indicators, or services;
- Any trading decisions made based on information provided by FrontierAlgo;
- Any losses incurred in trading activities;
- Any errors, omissions, or inaccuracies in our products or content;
- Any interruption, suspension, or termination of our services;
- Any bugs, viruses, or other harmful code that may be transmitted through our products; or
- Any unauthorized access to your personal information.

Our total liability to you for any claims arising from your use of our products or services shall not exceed the amount you paid for the specific product giving rise to the claim.

Some jurisdictions do not allow the exclusion or limitation of certain damages; in those jurisdictions our liability is limited to the maximum extent permitted by law. Nothing in these Terms excludes or limits any liability that cannot be excluded or limited under applicable law.

10. Dispute Resolution; Binding Arbitration; Class Action Waiver

PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT AND TO HAVE A JURY TRIAL.

(a) Informal Resolution First. Before initiating any arbitration or legal proceeding, you agree to first contact us at support@frontieralgo.com and provide a written description of your dispute, your contact information, and the relief you seek. You and the Company agree to use good-faith efforts to resolve the dispute for a period of sixty

(60) days from the date of that notice. This informal process is a precondition to commencing arbitration.

(b) Agreement to Arbitrate. If the dispute is not resolved within the sixty (60)-day period, you and the Company agree that any dispute, claim, or controversy arising out of or relating to these Terms, the EULA, our products, services, website, or your purchase, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, shall be resolved exclusively by final and binding individual arbitration, rather than in court, except as set out in subsections (f) and (g) below. The Federal Arbitration Act (9 U.S.C. § 1 et seq.) governs the interpretation and enforcement of this Section.

(c) Arbitration Rules and Forum. The arbitration will be administered by the American Arbitration Association ("AAA") under its Consumer Arbitration Rules, as modified by these Terms. The AAA Rules are available at www.adr.org. The arbitration will be conducted by a single arbitrator. For claims where the amount in controversy does not exceed \$25,000, the arbitration will be conducted by telephone, by video, or on the basis of written submissions unless the arbitrator determines that an in-person hearing is necessary. Any in-person hearing will take place in the county of your residence or another mutually agreed location. The arbitrator's award may be entered as a judgment in any court of competent jurisdiction.

(d) Class Action and Representative Action Waiver. YOU AND THE COMPANY AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN AN INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE, CONSOLIDATED, OR REPRESENTATIVE PROCEEDING. The arbitrator may not consolidate more than one person's claims and may not preside over any form of class or representative proceeding. You and the Company waive any right to a jury trial.

(e) 30-Day Right to Opt Out. You may opt out of this arbitration agreement (including the class-action waiver) within thirty (30) days of your first purchase by sending written notice to support@frontieralgo.com with the subject line "Arbitration Opt-Out," stating your name, the email address used for purchase, and a clear statement that you wish to opt out of arbitration. Opting out will not affect any other provision of these Terms. If you opt out, disputes will be resolved in court as provided in the Governing Law section, subject to the class-action waiver to the extent permitted by law.

(f) Small Claims Exception. Either party may bring an individual claim in a small claims court of competent jurisdiction if the claim qualifies and remains in that court on an individual, non-class basis.

(g) Injunctive and Intellectual-Property Relief. Notwithstanding the foregoing, the Company may bring an action in any court of competent jurisdiction to protect or

enforce its intellectual property rights or to seek injunctive or equitable relief arising from your actual or threatened breach of the License Restrictions, Confidentiality, or Intellectual Property provisions of these Terms or the EULA.

(h) Mass and Coordinated Arbitrations. If twenty-five (25) or more substantially similar arbitration demands are filed by or with the assistance of the same or coordinated counsel, those demands will be administered under the AAA Mass Arbitration Supplementary Rules and the applicable AAA Consumer Mass Arbitration and Mediation Fee Schedule then in effect, including the appointment of a process arbitrator and the use of the AAA's staged-fee and mediation procedures. The parties will work with the AAA in good faith to adopt efficiency measures permitted under those rules, such as assigning multiple cases to a single arbitrator. No procedure adopted under this subsection shall unreasonably delay any individual claimant's right to a decision on the merits, and the statute of limitations shall be tolled for any demand whose commencement is delayed by such procedures.

(i) Limitation Period. To the extent permitted by applicable law, any claim arising out of or relating to these Terms or our products or services must be commenced within one (1) year after the claim accrues; otherwise the claim is barred and may not be asserted thereafter.

(j) Severability. If the class-action waiver in subsection (d) is found unenforceable as to a particular claim or request for relief, that claim or request shall be severed and brought in a court of competent jurisdiction, while all other claims proceed in arbitration. If any other provision of this Section is found unenforceable, it shall be severed and the remainder of this Section shall remain in effect.

(k) Survival. This Section survives termination of these Terms and your license.

This Section governs disputes between you and the Company. It does not displace Whop's Buyer Terms, which separately govern the payment transaction handled by Whop, Inc. as Merchant of Record.

11. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the State of Wyoming, United States, without regard to its conflict-of-law provisions, except that (i) the Federal Arbitration Act governs the Dispute Resolution and Binding Arbitration section above, and (ii) nothing in these Terms limits any non-waivable consumer-protection rights or remedies available to you under the mandatory laws of your state or country of residence. Subject to the arbitration agreement above, any claim not subject to arbitration shall be brought in the state or federal courts located in Laramie County, Wyoming, or, where required by applicable consumer-protection law, in the courts of your place of residence. The parties consent to personal jurisdiction in those courts.

12. Changes to These Terms

We may update these Terms from time to time. When we do, we will revise the "Last updated" date shown above. Your continued use of the website or products after any change constitutes acceptance of the revised Terms.
