1. Controller

The controller for the processing of your personal data in connection with a purchase is Marius Haug, Hochvogelweg 18, 84034 Landshut, Germany, support@onemillionframe.com.

2. What we process and why

When you buy a 1M Frame product we process the data needed to perform the contract: your name, email address, order details and delivery/access data. Payment data is collected and processed by Whop and its payment providers; we receive only the information needed to confirm and fulfil your order. Legal basis: Art. 6(1)(b) GDPR (performance of a contract) and Art. 6(1)(c) GDPR (legal retention obligations).

3. Platform and processors

The store and checkout run on the Whop platform, which acts as our selling platform and payment facilitator. Where we deliver an app-based product, additional processing is described in the app's own privacy policy. We only engage processors that provide appropriate safeguards; international transfers are covered by EU Standard Contractual Clauses where applicable.

4. Retention

We keep order and invoice data for as long as required by law (in Germany, generally up to 10 years) and otherwise only as long as necessary for the purposes described.

5. Your rights

You have the right to access (Art. 15), rectification (Art. 16), erasure (Art. 17), restriction (Art. 18), data portability (Art. 20) and to object (Art. 21). To exercise them, contact support@onemillionframe.com.

6. Right to lodge a complaint

You may lodge a complaint with a supervisory authority, e.g. the Bavarian State Office for Data Protection Supervision (BayLDA).
