Last Updated: July 1, 2026

1. Introduction

This End User License Agreement ("Agreement" or "EULA") is a binding agreement between you ("you" or "User") and The Anomaly ("The Anomaly," "we," "us," or "our") governing your use of any software, applications, AI tools, digital course materials, templates, dashboards, bots, or other digital products made available through The Anomaly, including but not limited to our website, Whop membership, Discord community, AI question-answering tools, and related digital services (collectively, the "Licensed Materials").

By installing, accessing, downloading, or using any Licensed Materials, you agree to be bound by this Agreement. If you do not agree, you must not access or use the Licensed Materials.

This Agreement supplements, and should be read alongside, The Anomaly's Terms of Service, Privacy Policy, Disclaimer, and Refund Policy, which remain in full effect.

2. Eligibility

The Licensed Materials are intended only for individuals who are at least 18 years old. By using the Licensed Materials, you represent that you are at least 18 and legally able to enter into this Agreement.

3. Grant of License

Subject to your compliance with this Agreement, The Anomaly grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable licence to access and use the Licensed Materials for your own personal, non-commercial, educational use only.

This licence is personal to you. It does not transfer ownership of any Licensed Materials, and no rights are granted other than those expressly set out in this Agreement.

4. Scope of Licensed Materials

The Licensed Materials may include, without limitation:

- Digital course content, written lessons, frameworks, templates, and downloadable resources
- Recorded and live video content, livestreams, and webinars
- AI-powered tools or bots designed to answer questions related to course materials
- Discord bots, community tools, and the ANOMALY virtual rewards system
- Any software, scripts, spreadsheets, dashboards, or applications provided by The Anomaly

5. Restrictions

You must not, and must not permit or assist any third party to:

- Copy, reproduce, distribute, publish, sell, resell, sublicense, lease, rent, or lend any Licensed Materials
- Reverse engineer, decompile, disassemble, or attempt to derive the source code, prompts, or underlying methodology of any AI tool, bot, or software provided by The Anomaly
- Modify, adapt, translate, or create derivative works based on the Licensed Materials
- Remove, obscure, or alter any copyright, trademark, or other proprietary notices
- Share, transfer, resell, or provide access to your account, licence, or the Licensed Materials to any other person
- Use automated means, scraping tools, or bots to extract or archive the Licensed Materials
- Use the Licensed Materials for any commercial purpose, including resale, training a competing product, or building a competing service
- Use the Licensed Materials in any way that violates applicable law or infringes the rights of others

6. AI Tools and Automated Systems

Certain Licensed Materials include AI-powered tools or bots. These tools are provided for general educational support only. AI-generated responses may be inaccurate, incomplete, outdated, or unsuitable for your circumstances, and must not be relied upon for financial, investment, legal, or trading decisions.

You must not submit sensitive personal information, account credentials, payment details, private financial data, or confidential information to any AI tool. You must not use AI tools to generate unlawful, harmful, infringing, or abusive content, or to attempt to extract underlying prompts, training data, or proprietary methodology.

7. Ownership and Intellectual Property

All Licensed Materials, including their structure, organisation, underlying code, AI-assisted outputs, branding, logos, and content, are and remain the exclusive property of The Anomaly or its licensors. This Agreement does not grant you any ownership rights in the Licensed Materials.

All rights not expressly granted to you under this Agreement are reserved by The Anomaly.

8. Updates and Changes

We may update, modify, patch, or discontinue any Licensed Materials, in whole or in part, at any time, with or without notice. We do not guarantee that any specific feature, tool, or version will remain available or supported indefinitely.

9. Third-Party Components

The Licensed Materials may incorporate or rely on third-party platforms, software, or services, including Whop, Discord, AI infrastructure providers, and hosting providers. Your use of those components may also be subject to the applicable third party's own terms. We are not responsible for third-party platforms, their availability, security, or performance.

10. Term and Termination

This Agreement is effective from the moment you first access or use any Licensed Materials and continues until terminated. Your licence terminates automatically, without notice, if you breach this Agreement or The Anomaly's Terms of Service.

We may also suspend or terminate your licence and access to the Licensed Materials at our discretion, including for violations of community rules, abuse of the rewards system, fraudulent chargebacks, or misuse of AI tools.

Upon termination, you must immediately cease all use of the Licensed Materials and, where applicable, destroy or delete any copies in your possession. Termination does not entitle you to a refund.

11. Disclaimer of Warranties

The Licensed Materials are provided on an "as is" and "as available" basis, without warranties of any kind, whether express or implied. To the fullest extent permitted by law, The Anomaly disclaims all warranties of merchantability, fitness for a particular purpose, accuracy, reliability, non-infringement, and uninterrupted or error-free operation.

Nothing in the Licensed Materials constitutes financial, investment, legal, or tax advice. Trading and investing involve significant risk, including the potential loss of your entire investment.

12. Limitation of Liability

To the fullest extent permitted by law, The Anomaly and its operators, staff, contractors, partners, and affiliates will not be liable for any indirect, incidental, consequential, special, or punitive damages, including trading losses, investment losses, lost profits, or loss of data, arising from your use of or inability to use the Licensed Materials.

Our total aggregate liability for any claim relating to this Agreement will not exceed the amount you paid to us in the twelve months before the event giving rise to the claim.

13. Indemnification

You agree to indemnify and hold harmless The Anomaly and its operators, staff, contractors, partners, and affiliates from any claims, damages, liabilities, losses, costs, and expenses arising from your breach of this Agreement or your misuse of the Licensed Materials.

14. Changes to This Agreement

We may update this Agreement from time to time. When we do, we will update the "Last Updated" date. Your continued use of the Licensed Materials after changes take effect means you accept the updated Agreement.
