Terms and Conditions of Sale, Use, and Service

Last updated: July 2026 | Applies to all products, services, affiliates, and users of joshautomated.com

PLEASE READ THESE TERMS CAREFULLY BEFORE PURCHASING, DOWNLOADING, INSTALLING, OR USING ANY PRODUCT OR SERVICE OFFERED BY JOSH AUTOMATED LLP ("JOSH AUTOMATED", "the Company", "we", "us", or "our"). BY PURCHASING, ACCESSING, DOWNLOADING, INSTALLING, OR USING ANY PRODUCT, SOFTWARE, SERVICE, OR CONTENT PROVIDED BY JOSH AUTOMATED, YOU ("the Customer", "User", "you") AGREE TO BE LEGALLY BOUND BY THESE TERMS AND CONDITIONS IN FULL. IF YOU DO NOT AGREE TO ANY PART OF THESE TERMS, YOU MUST NOT PURCHASE, ACCESS, DOWNLOAD, OR USE ANY JOSH AUTOMATED PRODUCT OR SERVICE.

1. About JOSH AUTOMATED

1.1 JOSH AUTOMATED LLP is a registered business entity operating the brand "JOSH AUTOMATED" and the product line "Standard Target Bot" (STB™), through the website joshautomated.com and associated sales channels including but not limited to Whop, and any other payment processor or marketplace the Company may use from time to time.

1.2 JOSH AUTOMATED develops and sells automated trading software ("Expert Advisors" or "EAs") designed for use with MetaTrader 4 and MetaTrader 5 trading platforms, along with associated documentation, licenses, and support services (collectively, the "Products").

1.3 These Terms constitute a binding legal agreement between you and JOSH AUTOMATED LLP for any purchase, download, license, or use of the Products or related services.

2. Nature of Products — No Financial or Investment Advice

2.1 JOSH AUTOMATED Products are technical software tools that automate a pre-defined trading methodology chosen and configured by the user. They are sold strictly as software tools, not as investment products, managed accounts, financial services, or signals services.

2.2 JOSH AUTOMATED is not a financial advisor, broker-dealer, investment manager, or licensed financial institution of any kind. Nothing provided by JOSH AUTOMATED — including but not limited to product descriptions, marketing material, support communications, or documentation — constitutes financial, investment, legal, or tax advice. You are solely responsible for conducting your own due diligence and, where appropriate, consulting a licensed and independent financial advisor before using any Product with real funds.

2.3 Any figures, targets, projections, or examples referenced in marketing materials, product listings, documentation, or verbal/written communication (including but not limited to estimated daily, weekly, or monthly return figures) are hypothetical, illustrative targets only and are NOT guarantees, promises, warranties, or representations of actual future performance.

3. Risk Disclosure

3.1 TRADING FOREX, GOLD, INDICES, COMMODITIES, CRYPTOCURRENCY CFDS, AND OTHER LEVERAGED FINANCIAL INSTRUMENTS CARRIES A HIGH LEVEL OF RISK AND MAY NOT BE SUITABLE FOR ALL INVESTORS. YOU MAY LOSE SOME OR ALL OF YOUR INVESTED CAPITAL, AND IN SOME CASES YOUR LOSSES MAY EXCEED YOUR INITIAL DEPOSIT DEPENDING ON YOUR BROKER'S TERMS.

3.2 Automated trading software, including all JOSH AUTOMATED Products, does not eliminate trading risk. No software, strategy, algorithm, or system of any kind can guarantee profits or guarantee against losses. Past performance, backtested results, simulated results, or demo account results are not reliable indicators of future real-money performance and may differ substantially from live results due to slippage, spread, latency, broker execution quality, liquidity conditions, and market volatility.

3.3 You acknowledge and agree that you are using JOSH AUTOMATED Products entirely at your own risk, and that JOSH AUTOMATED bears no responsibility for trading losses, margin calls, account liquidation, negative balances, or any other financial consequence arising from use of the Products, whether or not the Product was functioning as intended.

3.4 It is strongly recommended, and may be a condition of certain licenses, that you test any Product on a demo (non-live) account for a minimum of 30 days before deploying it with real capital.

3.5 You are solely responsible for selecting a reputable, regulated broker, maintaining a stable and continuous internet connection or VPS, and monitoring your own trading account. JOSH AUTOMATED does not recommend, endorse, or accept liability for the actions, solvency, regulatory status, or execution quality of any third-party broker.

4. License Grant and Restrictions

4.1 Upon successful payment, JOSH AUTOMATED grants the Customer a limited, non-exclusive, non-transferable (except as expressly permitted under a documented resale license) license to install and use the purchased Product strictly in accordance with the specific product license terms accompanying that Product (e.g., the README and LICENSE documents packaged with the software).

4.2 Unless a specific product license states otherwise, the Customer may NOT:

- Decompile, reverse-engineer, or attempt to extract the source code of any compiled (.ex4/.ex5) file;
- Share, resell, sublicense, rent, lease, or distribute the Product or any part of it to any third party without a documented, written resale agreement with JOSH AUTOMATED;
- Upload, post, or share the Product on any public or private forum, file-sharing site, Discord, Telegram, marketplace, or similar platform;
- Remove, obscure, or alter any copyright, trademark, or attribution notice contained in the Product or its documentation;
- Represent themselves as the creator, developer, or original author of the Product;
- Use the Product to manage funds on behalf of third parties (including PAMM, MAM, copy-trading, or signal-service arrangements) without a separate written commercial agreement with JOSH AUTOMATED;
- Use the JOSH AUTOMATED name, logo, trademarks, or brand identifiers in any marketing material without prior written permission.

4.3 Violation of this license may result in immediate termination of access, forfeiture of any support or update entitlement, and may expose the violating party to legal action for damages, including but not limited to

copyright and trademark infringement claims.

5. Payments, Pricing, and Currency

5.1 All prices are listed in United States Dollars (USD) unless explicitly stated otherwise. Where a third-party payment processor displays prices in an alternate local currency, the USD price remains the authoritative and binding price, and any currency conversion is performed by the payment processor, not by JOSH AUTOMATED, and JOSH AUTOMATED is not responsible for fluctuations in exchange rates.

5.2 Payment is due in full at the time of purchase unless a specific installment or subscription plan is explicitly offered and agreed upon for that Product.

5.3 JOSH AUTOMATED reserves the right to change prices for any Product at any time without prior notice. Price changes do not affect purchases already completed.

5.4 Accepted payment methods may include card payments via third-party processors, and cryptocurrency (e.g., USDT) transferred directly to a wallet address provided by JOSH AUTOMATED. For cryptocurrency payments, the Customer is solely responsible for ensuring the correct network, wallet address, and amount are used. JOSH AUTOMATED is not responsible for funds lost due to Customer error in cryptocurrency transactions, including but not limited to wrong network selection, incorrect wallet address entry, or third-party wallet/exchange failures.

6. Delivery

6.1 All Products are delivered digitally. No physical goods are shipped. Upon successful payment confirmation, the Customer will receive access to download the purchased Product via a download link, email, or dedicated delivery page.

6.2 It is the Customer's responsibility to provide a valid and accurate email address at checkout and to check their inbox (including spam/junk folders) for delivery communications.

6.3 In the event of a delivery failure not caused by Customer error, JOSH AUTOMATED will make reasonable efforts to re-deliver the Product within a reasonable timeframe upon being notified via official support channels.

7. Refund Policy

7.1 Due to the nature of digital products — which can be copied, downloaded, and used immediately upon delivery — ALL SALES ARE FINAL once the Product has been delivered or accessed, except where required otherwise by applicable law.

7.2 Refunds may be considered, at the sole discretion of JOSH AUTOMATED, only in the following limited circumstances:

- A duplicate purchase was made in error and can be verified;
- The Product was never delivered due to a verifiable technical failure on the part of JOSH AUTOMATED, and re-delivery is not possible;
- The Product is materially defective (i.e., does not function on the platform it was designed for) and JOSH AUTOMATED is unable to resolve the issue within a reasonable period after being notified.

7.3 Under no circumstances will a refund be issued on the basis of trading losses, dissatisfaction with trading performance, or a change of mind after the Product has been downloaded or accessed.

7.4 Any approved refund will be issued using the original payment method where possible, less any non-recoverable payment processing fees.

8. Affiliate and Referral Program

8.1 JOSH AUTOMATED may, at its sole discretion, operate an affiliate or referral program under which approved affiliates earn a commission on sales they directly and verifiably refer.

8.2 Affiliates are independent third parties and are not employees, agents, partners, or legal representatives of JOSH AUTOMATED. Affiliates have no authority to make representations, guarantees, or commitments on behalf of JOSH AUTOMATED beyond what is expressly provided in official marketing materials.

8.3 Affiliates must not make false, misleading, or exaggerated claims about any Product, including but not limited to guaranteed profits, guaranteed win rates, or risk-free trading. Affiliates must not misrepresent their relationship to JOSH AUTOMATED.

8.4 JOSH AUTOMATED reserves the right to withhold, adjust, or reclaim commissions in cases of fraudulent referrals, chargebacks, refunds, or violation of these Terms by the affiliate, and to terminate any affiliate relationship at any time, with or without cause.

8.5 Commission payments may be made via cryptocurrency or bank/wire transfer at the affiliate's election. JOSH AUTOMATED is not responsible for delays, losses, or errors caused by incorrect payment details provided by the affiliate, or by third-party payment rails.

8B. Status of Affiliates, Referrers, and Paid Promoters

8B.1 Any individual paid a commission, fee, or reward for referring customers, promoting Products, or bringing sales to JOSH AUTOMATED (an "Affiliate") acts solely as an independent, self-employed third party. Nothing in these Terms or in any arrangement between JOSH AUTOMATED and an Affiliate creates an employment, agency, joint venture, or partnership relationship.

8B.2 Affiliates are solely and personally responsible for the specific statements, claims, and representations they make to any prospective customer. JOSH AUTOMATED does not review, script, or control an Affiliate's individual conversations, messages, or promotional activity, and disclaims all liability for any false, exaggerated, misleading, or unauthorized statement made by an Affiliate that goes beyond official JOSH AUTOMATED marketing material.

8B.3 Affiliates are solely responsible for ensuring their own promotional activity complies with applicable advertising, consumer protection, and financial promotion laws in whatever jurisdiction they operate or target. An Affiliate who violates such laws does so in their own individual capacity, and agrees to fully indemnify JOSH AUTOMATED for any resulting claim, fine, or liability under Section 12.

8B.4 JOSH AUTOMATED is not responsible for any dispute, disagreement, non-payment claim, or dissatisfaction arising between an Affiliate and any customer or third party they referred. JOSH AUTOMATED's only obligation to an Affiliate is payment of properly earned and verified commission under whatever specific terms were agreed for that Affiliate relationship.

8B.5 JOSH AUTOMATED reserves the right to refuse, delay, or claw back commission where a referred sale is later refunded, charged back, disputed, found to be fraudulent, or found to have been obtained through misrepresentation by the Affiliate.

9. Intellectual Property

9.1 All content, source code, compiled software, trademarks (including "JOSH AUTOMATED" and "Standard Target Bot"/"STB"), logos, documentation, strategy names, module architecture, and associated materials are the exclusive intellectual property of JOSH AUTOMATED LLP and are protected under applicable copyright, trademark, and intellectual property laws.

9.2 No right, title, or ownership interest in any Product is transferred to the Customer upon purchase — only the limited license described in Section 4 is granted.

10. Disclaimer of Warranties

10.1 ALL PRODUCTS ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR THAT THE PRODUCT WILL BE UNINTERRUPTED, ERROR-FREE, SECURE, OR FREE OF DEFECTS.

10.2 JOSH AUTOMATED does not warrant or guarantee compatibility with every broker, server configuration, VPS provider, or MetaTrader build, and is not responsible for third-party platform changes that may affect Product functionality.

10.3 Updates, bug fixes, and ongoing support may be provided at JOSH AUTOMATED's sole discretion and are not guaranteed unless explicitly included as part of a specific paid support plan.

11. Limitation of Liability

11.1 TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, JOSH AUTOMATED, ITS FOUNDERS, PARTNERS, EMPLOYEES, AND AFFILIATES SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND ARISING FROM OR RELATED TO THE PURCHASE, DOWNLOAD, INSTALLATION, OR USE OF ANY PRODUCT, INCLUDING BUT NOT LIMITED TO: TRADING LOSSES, LOST PROFITS, LOST DATA, ACCOUNT LIQUIDATION, MARGIN CALLS, BROKER EXECUTION FAILURES, INTERNET OR VPS OUTAGES, OR ANY OTHER DAMAGE OR LOSS, EVEN IF JOSH AUTOMATED HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11.2 IN ANY EVENT WHERE LIABILITY CANNOT BE FULLY EXCLUDED UNDER APPLICABLE LAW, THE TOTAL AGGREGATE LIABILITY OF JOSH AUTOMATED TO THE CUSTOMER, UNDER ANY THEORY OF LIABILITY (CONTRACT, TORT, OR OTHERWISE), SHALL NOT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY THE CUSTOMER FOR THE SPECIFIC PRODUCT GIVING RISE TO THE CLAIM.

12. Indemnification

The Customer agrees to indemnify, defend, and hold harmless JOSH AUTOMATED LLP, its founders, partners, employees, and affiliates from and against any claims, liabilities, damages, losses, and expenses

(including reasonable legal fees) arising out of or in any way connected with: (a) the Customer's use or misuse of any Product; (b) the Customer's violation of these Terms; (c) the Customer's violation of any applicable law or regulation; or (d) any trading activity conducted using a JOSH AUTOMATED Product.

13. Regulatory Compliance

13.1 The Customer is solely responsible for ensuring that their purchase, possession, and use of any JOSH AUTOMATED Product complies with all laws and regulations applicable in their jurisdiction, including but not limited to financial services regulation, securities law, anti-money laundering requirements, and tax obligations.

13.2 JOSH AUTOMATED makes no representation as to the legality of algorithmic or automated trading in any specific jurisdiction and disclaims any responsibility for a Customer's use of a Product in a manner that violates local law.

14. Eligibility and Prohibited Use

14.1 You must be at least 18 years of age (or the age of legal majority in your jurisdiction, if higher) to purchase or use any JOSH AUTOMATED Product.

14.2 You may not purchase or use any Product if you are located in, or a resident of, any jurisdiction where automated trading software, forex trading, or the specific Product would be illegal or restricted, or if you are subject to any applicable trade sanctions or restrictions.

15. Third-Party Platforms and Services

15.1 JOSH AUTOMATED Products are designed to operate on third-party platforms, including MetaTrader 4, MetaTrader 5, and broker-provided infrastructure, and may be sold or delivered through third-party payment processors and marketplaces (including but not limited to Whop). JOSH AUTOMATED is not responsible for the availability, functionality, policies, fees, or actions of any such third-party platform or processor.

16. Termination

JOSH AUTOMATED reserves the right to suspend or terminate a Customer's or Affiliate's access to any Product, support channel, or affiliate program, without refund, in the event of a violation of these Terms, fraudulent activity, chargeback abuse, or unlawful conduct.

17. Changes to These Terms

JOSH AUTOMATED reserves the right to update or modify these Terms at any time. Continued use of any Product or service after changes are posted constitutes acceptance of the revised Terms. Customers are encouraged to review these Terms periodically.

18. Governing Law and Dispute Resolution

18.1 These Terms shall be governed by and construed in accordance with the laws of the jurisdiction in which JOSH AUTOMATED LLP is legally registered and headquartered, without regard to conflict of law principles,

except where mandatory local consumer protection law in the Customer's own jurisdiction requires otherwise.

18.2 Any dispute arising out of or relating to these Terms or any Product shall first be attempted to be resolved amicably through direct communication with JOSH AUTOMATED support channels before any formal legal action is pursued.

19. Severability

If any provision of these Terms is found to be unenforceable or invalid under applicable law, that provision shall be limited or eliminated to the minimum extent necessary, and the remaining provisions shall remain in full force and effect.

20. Entire Agreement

These Terms, together with any product-specific license terms packaged with a Product, constitute the entire agreement between the Customer and JOSH AUTOMATED with respect to the subject matter herein and supersede all prior or contemporaneous understandings, whether written or oral.
