

KAREET PRIVACY POLICY

Last Updated: August 5, 2026

1. INFORMATION WE COLLECT

- **Account info:** Name, email, Whop user ID, username
- **Trading data:** Charts, trades, journal entries, backtesting results (stored locally and/or on your Kareet account)
- **Usage data:** Feature usage, crash reports, performance metrics, log files
- **Device data:** Operating system, device type, software version
- **Payment info:** Processed through Whop Payments (we do not store card data)

2. HOW WE USE YOUR DATA

- **To provide the service:** Running backtests, storing your journal, syncing across devices
- **To improve the product:** Crash logs, feature usage analytics, performance optimization
- **To communicate:** Beta updates, feature announcements, support responses
- **Legal compliance:** Fraud prevention, terms enforcement, regulatory requirements
- **Research:** Anonymous aggregated data to improve trading tools

3. DATA STORAGE & SECURITY

- Your trading data is encrypted in transit (TLS/SSL)
- Local data stored on your machine is your responsibility
- Cloud backups (if enabled) are encrypted at rest using industry-standard encryption
- We implement multi-layer security measures
- **During beta, data may be reset or deleted without notice**

4. THIRD PARTIES & DATA SHARING

- Whop handles all payments (see Whop's privacy policy)
- We do not sell or share your personal data with advertisers or third parties
- We may share anonymized, aggregated analytics with our team for product improvement
- Service providers (hosting, analytics, monitoring) may access limited data under strict confidentiality agreements
- We may disclose data if required by law or court order

5. DATA RETENTION

- Account data is retained for the life of your membership
- Deleted trading data is purged within 30 days
- Crash logs are retained for 90 days for diagnostics
- During beta phases, we reserve the right to clear all user data without compensation

6. YOUR RIGHTS & CHOICES

- **Access:** View your data anytime in your Kareet dashboard

- **Deletion:** Request permanent deletion of your account and data
- **Export:** Download your trading data in standard formats
- **Communications:** Opt out of non-essential marketing emails
- **Portability:** Request your data in a machine-readable format

7. BETA & ALPHA DATA HANDLING

- **Your data may be reset or deleted during beta/alpha development**
- We will attempt to notify you of major data changes in advance
- You are responsible for exporting and backing up critical data
- No compensation is provided for data loss during beta phases

8. CHILDREN'S PRIVACY

Kareet is not intended for users under 18. We do not knowingly collect data from minors. If we become aware of data from a minor, we will delete it immediately.

9. INTERNATIONAL DATA TRANSFERS

Your data may be processed and stored in multiple countries. By using Kareet, you consent to international data transfers subject to applicable laws.

10. POLICY CHANGES

We may update this privacy policy at any time. Beta users will be notified of material changes via email or community announcement. Continued use constitutes acceptance.

11. CONTACT & PRIVACY REQUESTS
