

The Karry Academy- Return & Refund Policy

Effective Date: June 1st, 2026

Thank you for being a part of *The Karry Academy*, an exclusive Overwatch educational community. We are committed to providing high-quality coaching and educational resources to help you improve your gameplay.

Refund Eligibility

At TKA, we fully believe in our product. Because of this, we offer a satisfaction or your money back guarantee.

1. **14-Day Refund Policy** – If you try The Karry Academy and within the first 14 days, you find you are not satisfied with the membership, we will fully refund you your most recent month's membership. Because of this, we cannot refund multiple months. In order to request a refund, you must do so through Whop or by contacting our Community Manager directly on Discord.
2. **Refund Exceptions** – Due to the nature of our digital services, we will not process refunds on multiple months of membership payments. Our refund policy is in place to give new members the chance to try our services risk free. It is not in place to be abused by members who have accessed our services for multiple months who then decide they want their money back.

Cancellation Policy

You may cancel your subscription at any time through your membership settings on Whop. Cancellation will prevent future charges but does not entitle you to a refund for any previously paid subscription periods.

Policy Updates

We reserve the right to modify this policy at any time to better serve our community. Any updates will be reflected on this page, and continued use of *The Karry Academy* constitutes acceptance of these terms.

For any questions, please contact our Community Manager DelayKnee on Discord or contact us on Whop.

By subscribing to *The Karry Academy*, you acknowledge that you have read and agree to this refund policy.
