

Chroma Trading Refund & Cancellation Policy

Thank you for showing interest in Chroma Trading. By purchasing a subscription, you agree to this Policy, subject at all times to any mandatory consumer rights that apply in your country or jurisdiction.

Subscriptions and Automatic Renewal

Chroma Trading subscriptions automatically renew at the end of the applicable billing period unless cancelled before the next renewal date.

Depending on the plan selected at checkout, subscriptions may renew:

- Monthly
- Quarterly
- Semiannually
- Annually

The applicable subscription price, billing frequency and renewal terms are displayed at checkout before purchase.

Cancelling Your Subscription

You may cancel your subscription at any time through your Whop account.

Unless otherwise required by applicable law, cancelling a subscription stops future renewals but does not immediately terminate your current access. You will continue to have access to Chroma Trading until the end of your current paid subscription period.

Once cancelled, your subscription will not renew for another billing period.

Refunds

Except where required by applicable law, subscription payments are non-refundable and all sales are final.

We do not normally provide full or partial refunds because a subscriber:

- no longer wishes to use the service;
- did not use the service during their subscription period;
- forgot to cancel before a renewal; or
- chooses to cancel before the end of the current subscription period.

This does not exclude or restrict any refund, cancellation, withdrawal or other consumer right that cannot legally be excluded under applicable law.

Access Following a Refund or Withdrawal

Where a subscription is refunded or validly withdrawn, Chroma Trading may terminate access to the applicable Chroma Trading services, community, content and membership benefits associated with that purchase.

Changes to Subscription Pricing

Chroma Trading may change its subscription prices from time to time. Any applicable price changes will be communicated or displayed in accordance with applicable law before taking effect.
