

Terms of Service

Sisterhood Trading Academy

Last updated: June 13, 2026

1. Agreement to Terms

These Terms of Service ("Terms") govern your access to and use of any product, indicator, tool, course, mentorship, coaching, community, or other service (collectively, the "Services") offered by Sisterhood Trading Academy ("STA," "we," "us," or "our"). By purchasing, accessing, or using any of the Services, you ("you" or "Member") agree to be bound by these Terms. If you do not agree, do not purchase or use the Services.

These Terms apply to all current and future offerings of Sisterhood Trading Academy, regardless of the specific product purchased.

2. Eligibility

You must be at least 18 years old and able to form a legally binding contract to purchase or use the Services. By purchasing, you represent and warrant that you meet these requirements and that all information you provide is accurate.

3. Not Financial, Investment, or Trading Advice

This is the most important section. Read it carefully.

Sisterhood Trading Academy provides **educational content only**. Nothing offered through the Services — including any indicator, signal, tool, lesson, mentorship, coaching, commentary, chat message, or community discussion — constitutes financial advice, investment advice, trading advice, or a recommendation to buy, sell, or hold any security, currency, commodity, derivative, or other financial instrument.

We are not a registered investment adviser, broker-dealer, financial planner, or financial advisor, and we are not licensed by any financial regulatory authority. The Services are not personalized to your financial situation, risk tolerance, or objectives.

Any indicators, signals, or tools (including the STA 4-Light Indicator) are educational aids that present information based on historical and current market data. They do not predict future results and do not tell you what trades to make. Any decision you make is your own independent decision.

You should consult a licensed financial professional before making any trading or investment decision.

4. Risk Disclosure

Trading and investing in financial markets involves substantial risk of loss and is not suitable for every person. You acknowledge and agree that:

- You may lose some or all of your invested capital, and losses can exceed deposits in margin or leveraged accounts.
- Past performance is not indicative of future results. Any examples, backtests, screenshots, or results shown are illustrative only and do not represent typical results or any guarantee of future performance.
- Hypothetical or simulated performance results have inherent limitations and do not represent actual trading.
- You are solely responsible for your own trading decisions, account, and outcomes.
- You assume full responsibility for any and all losses, and you agree that STA, its owners, instructors, and affiliates are not liable for any trading losses or financial outcomes you experience.

5. No Guarantee of Results

We make **no guarantee, representation, or warranty** of any kind regarding income, profit, performance, or results. Your results depend on many factors outside our control, including your own effort, decisions, experience, capital, and market conditions. There is no guarantee you will earn money or avoid losses. No free trial, money-back guarantee, or performance guarantee is offered unless explicitly stated in writing on the specific product's checkout page.

6. Purchase, Pricing, and Access

The price, billing terms, and access period for each Service are stated on the applicable product or checkout page at the time of purchase. By completing checkout, you authorize the charge to your selected payment method. Payments are processed by Whop and applicable third-party payment processors, subject to their terms.

Access is granted to you personally and is non-transferable. Where a Service includes a license to use software, an indicator, or proprietary materials, that license is personal, limited, non-exclusive, non-transferable, and revocable, and is granted solely for your individual, non-commercial use.

7. All Sales Final — Refunds

All sales are final. See our Return Policy for full details, which is incorporated into these Terms by reference. By purchasing, you acknowledge that the Services include immediately accessible and/or digitally delivered content, and you waive any right to a refund except where required by applicable law or where a Service was not delivered to you as described in the Return Policy.

8. Intellectual Property

All content, indicators, tools, materials, branding, and other intellectual property associated with the Services are owned by or licensed to Sisterhood Trading Academy and are protected by law. You may not copy, reproduce, distribute, resell, share, sublicense, reverse engineer, or create derivative works from any of the Services or materials. Sharing access credentials, indicator scripts, or paid materials with non-members is strictly prohibited and will result in immediate termination without refund.

9. Member Conduct

You agree not to: share account access; redistribute paid content; harass other members or staff; provide financial advice to other members under the guise of STA; engage in unlawful activity; or misuse the community or tools. We may suspend or terminate your access for any violation, without refund.

10. Third-Party Platforms

The Services may rely on or integrate with third-party platforms (including but not limited to Whop, TradingView, Discord, and payment processors). Your use of those platforms is governed by their own terms. We are not responsible for the availability, performance, or actions of any third-party platform.

11. Disclaimer of Warranties

The Services are provided **"as is" and "as available," without warranties of any kind**, express or implied, including merchantability, fitness for a particular purpose, accuracy, or non-infringement. We do not warrant that the Services will be uninterrupted, error-free, accurate, or that any indicator or tool will function without fault.

12. Limitation of Liability

To the maximum extent permitted by law, Sisterhood Trading Academy, its owners, instructors, employees, and affiliates shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of profits, capital, or trading losses, arising out of or related to your use of the Services. **Our total aggregate liability for any claim shall not exceed the amount you paid for the specific Service giving rise to the claim.**

13. Indemnification

You agree to indemnify and hold harmless Sisterhood Trading Academy and its owners, instructors, and affiliates from any claims, damages, losses, or expenses (including legal fees) arising from your use of the Services, your trading decisions, or your violation of these Terms.

14. Dispute Resolution and Arbitration

Any dispute arising out of or relating to these Terms or the Services shall be resolved through binding individual arbitration, and not in court, except that either party may seek relief in small claims court for qualifying claims. **You waive any right to participate in a class action or class-wide arbitration.** You also agree that any chargeback or payment dispute filed in bad faith, in violation of the All Sales Final policy you agreed to, constitutes a breach of these Terms.

15. Changes to These Terms

We may update these Terms at any time. The version in effect at the time of your purchase governs that purchase. Continued use of the Services after changes constitutes acceptance of the updated Terms.
