

SNIPERR — TERMS OF SERVICE

Last updated: May 24, 2026

1. ACCEPTANCE OF TERMS

By purchasing any product or service from Sniperr, you agree to be bound by these Terms of Service. If you do not agree, do not purchase or use our products.

2. PRODUCTS AND SERVICES

Sniperr provides digital configuration files and related support services for the Cronus Zen controller adapter. Our products include downloadable script files, setup tutorials, community access, and optional custom configuration services.

3. DIGITAL DELIVERY

All products are delivered digitally and instantly upon purchase. Access to downloads, tutorials, and community features is granted immediately after payment is confirmed.

4. NO REFUND POLICY

All sales are final. Due to the digital nature of our products, we do not offer refunds under any circumstances. Once you have accessed or downloaded the product, the transaction is complete and non-reversible. By completing your purchase, you acknowledge that you are buying a digital product with instant access and that you waive any right to a refund, cancellation, or chargeback.

5. VIP CUSTOM BUILD SERVICE

Our VIP Custom Build service provides a done-for-you configuration compiled to your exact specifications. Delivery is within 24 hours of submission. If the delivered file does not work as expected on your setup, we will provide uninterrupted support until it does. This does not constitute grounds for a refund — we guarantee functionality through continued support, not monetary return.

6. CHARGEBACKS AND DISPUTES

Filing a chargeback or payment dispute after receiving your digital product is considered a violation of these terms. We reserve the right to revoke access to all products and services, ban the associated account, and pursue appropriate remedies including reporting fraud to the payment processor.

7. ACCEPTABLE USE

Products are licensed for personal, individual use only. You may not redistribute, resell, share, or publicly upload any purchased files. Violation will result in immediate termination of access without refund.

8. DISCLAIMER

Our products are controller configuration tools for legally available hardware. We make no guarantees about third-party platform policies. Use of our products is at your own discretion and risk.

9. UPDATES

Purchased products include free lifetime updates. We aim to provide updates within 24 hours of relevant game patches, but do not guarantee specific timelines.

10. MODIFICATIONS

We reserve the right to modify these terms at any time. Continued use of our products after changes constitutes acceptance of the updated terms.
