

Terms of Service

PortLab

Effective date: September 25, 2026

Last updated: September 25, 2026

These Terms of Service ("Terms") govern access to PortLab products, files, videos, chat, and support sold on Whop. By purchasing or using PortLab, you agree to these Terms, our Privacy Policy, End User License Agreement (EULA), and Refund Policy.

1. Who we are

PortLab is an education business. Contact: adityakumar2026main1@outlook.com. Checkout, payments, and memberships are provided by Whop.

2. What we sell

PortLab sells digital educational materials about Android and ColorOS porting, which may include written guides, videos, templates, checklists, and time-limited private support. Products are described on their Whop product pages. Features, files, and support windows are those listed at the time of purchase.

PortLab is not affiliated with, endorsed by, or sponsored by OPPO, OnePlus, realme, Xiaomi, Poco, Redmi, Google, or any other device or OS maker. ColorOS, Android, and device names are trademarks of their owners.

3. Eligibility

You must be at least 18 years old, or the age of majority in your country, and able to form a contract. You are responsible for the Whop account used to buy and access PortLab.

4. License, not a sale of source rights

Purchase grants you a personal license to use the materials as described in the EULA. You do not buy ownership of PortLab's copyright, trademarks, videos, or templates. You may not resell, publicly upload, or share paid files with people who did not purchase them.

5. Device risk. No warranty of a successful port

Porting firmware can brick a device, void a warranty, lose data, or break features. You are solely responsible for backups, unlocking, flashing, and any damage to hardware or software.

PortLab materials are educational. We do not warrant that a port will boot, pass safety checks, or work on your specific device, chipset, or ColorOS version. Results vary by device tree, kernel, vendor blobs, and your own changes.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, PORTLAB PRODUCTS ARE PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

6. Support

If your plan includes private support, the window starts when access is granted and lasts for the number of days stated on the product page. Support covers questions about PortLab materials and reasonable help on a ColorOS

port. It does not include custom paid bring-up for your device, unlimited revisions, or access after the window ends unless a later plan says otherwise.

Lifetime guide updates, if offered, mean we may add corrections or version notes to the guide. They do not mean a new full port for every ColorOS release, or ongoing chat after a support window ends.

7. Payments

Prices are shown at checkout on Whop. Unless stated otherwise, prices are in US dollars and may have tax added. You authorize Whop to charge the selected payment method.

8. Refunds

Refunds follow the PortLab Refund Policy. Digital files cannot be "returned" once delivered. Chargebacks filed without first contacting us may result in access being removed.

9. Acceptable use

You may not:

- Share, pirate, or leak PortLab files, videos, or recordings of support
- Use materials to attack, defraud, or harm others
- Harass PortLab staff or other members
- Attempt to bypass Whop access controls

We may remove access, without refund, if you materially breach these Terms or the EULA.

10. Intellectual property

PortLab owns its guides, videos, site copy, logos, and original templates. Device trees, vendor files, and kernel code that originate from device makers or AOSP remain subject to their own licenses. You must comply with those licenses.

11. Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, PORTLAB AND ITS OPERATOR WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, LOST DATA, OR DEVICE DAMAGE, EVEN IF ADVISED OF THE POSSIBILITY. OUR TOTAL LIABILITY FOR A CLAIM RELATING TO A PURCHASE WILL NOT EXCEED THE AMOUNT YOU PAID TO PORTLAB FOR THAT PRODUCT IN THE 12 MONTHS BEFORE THE CLAIM.

Some places do not allow certain limits. In those places, our liability is limited to the maximum extent allowed.

12. Indemnity

You will indemnify PortLab and its operator against claims, damages, and reasonable legal fees arising from your flashing or distribution of a port, your breach of these Terms, or your violation of third-party rights.

13. Changes

We may update these Terms. The date at the top will change when we do. Continued use after an update means you accept the revised Terms. Material changes to a product you already bought will not remove access you already paid for, except as allowed in these Terms or the EULA.

14. Governing law

These Terms are governed by the laws of India, without regard to conflict-of-law rules, except where consumer law in your country cannot be waived. Disputes that cannot be resolved by email should follow any process required by Whop for payments, then courts of competent jurisdiction in India, unless a mandatory consumer forum applies.
