

2. Privacy Policy

2.1 Data controller

The data controller for personal data collected via the website and Service is: **CARBON AUTOMATISATION**, 60 rue Francois 1er, 75008 Paris, France, reachable at contact@carbon-automatisation.com.

2.2 Data collected

The Company may collect and process the following data categories:

- email address.
- Discord identifier.
- IP address.
- technical logs, access logs, connection and usage data.
- where applicable, data provided by Whop for subscription management.

2.3 Processing purposes

Data is processed for the following purposes:

- creating, managing and securing Service access.
- subscription, support and user relationship management.
- fraud prevention, abuse prevention, account-sharing prevention and security incident handling.
- technical logging, diagnostics, maintenance and Service improvement.
- legal compliance and protection of the Company's rights.

2.4 Legal bases

Processing is based, depending on the case, on:

- performance of a contract or pre-contractual measures.
- the Company's legitimate interest, notably for security, fraud prevention and Service improvement.
- compliance with legal obligations.
- consent where required by applicable law.

2.5 Data recipients

Data may be accessible, strictly within their duties, to authorized Company teams and technical providers and subcontractors, including hosting, communication and logging tools, and third-party platforms necessary for providing the Service, including **Whop** and **Discord**.

2.6 Retention period

Data is retained for the period strictly necessary for the purposes for which it is collected, then archived where appropriate for the period necessary to comply with legal, accounting, tax, evidentiary obligations or defense of the Company's rights.

Technical logs and security data may be retained longer where required for abuse detection, traceability, evidence management or system security.

2.7 Security

The Company implements appropriate technical and organizational measures to preserve confidentiality, integrity and availability of personal data, within the scope reasonably required by the nature of the Service.

2.8 Data subject rights

Under applicable regulations, data subjects may have rights of access, rectification, erasure, restriction, objection, portability, and directives regarding their data after death.

Requests may be sent to: contact@carbon-automatisation.com. In case of reasonable doubt regarding identity, proof of identity may be requested.

Data subjects also have the right to lodge a complaint with the competent data protection authority in their country of residence.

2.9 Cookies and similar technologies

The website may use cookies or similar technologies required for website operation, security, preference storage, audience measurement or Service improvement.

Where consent is required, it is collected in compliance with applicable law.
