

Refund Policy

Please read this policy carefully before completing your purchase.

NO REFUNDS — ALL SALES ARE FINAL

By completing your purchase, you agree to this policy in full.

SECTION 01

Strict No-Refund Policy

All purchases made through Brick are final and non-refundable. Once payment is processed and access is granted, no refunds, partial refunds, credits, or chargebacks will be issued under any circumstances. This policy applies to all membership tiers, one-time purchases, and any other paid offerings within the community.

SECTION 02

Nature of the Product

Brick provides members with immediate access to digital educational materials, resources, guides, strategies, and community content. Because this content is delivered digitally and instantly upon purchase, it cannot be returned, recalled, or made inaccessible once accessed. The irreversible nature of digital goods is the foundation of this strict no-refund policy.

SECTION 03

No Exceptions

Refunds will not be granted for any reason, including but not limited to: change of mind, failure to use or engage with the membership, dissatisfaction with personal results, accidental purchase, incompatibility with personal devices or schedules, or inability to access content due to personal technical issues. It is your sole responsibility to ensure readiness and compatibility before purchasing.

SECTION 04

Chargebacks & Payment Disputes

Initiating a chargeback or payment dispute in violation of this policy may result in immediate and permanent removal from Brick and all associated communities, without recovery of access or content. We strongly encourage all members to contact an admin directly with any concerns before pursuing a dispute through their payment provider.

SECTION 05

Agreement to This Policy

By completing your purchase on Whop, you confirm that you have read, fully understood, and agreed to this refund policy. If you do not agree with any part of this policy, you must not proceed with your purchase. Continued participation in the community following purchase constitutes acceptance of these terms.

Questions? Reach out to a Brick admin in the community before making any purchase decisions. We're happy to help clarify what's included.
