

End User Licence Agreement

BusinessGrowR LLC · 30 N Gould St Ste R, Sheridan, WY 82801, United States · support@businessgrowr.com · Effective August 10, 2026

This End User Licence Agreement ("EULA") governs your use of the Materials that BusinessGrowR LLC ("we", "us") provides. It forms part of our Terms of Service. By accessing, downloading, or using any Materials, you accept this EULA. If you do not accept it, do not use the Materials.

1. What the Materials are

"Materials" means everything we make available to you that is not your own property, including: templates, frameworks, and methodologies; documents, spreadsheets, dashboards, and trackers; scripts, offers, and copy; standard operating procedures and checklists; recordings, transcripts, training videos, and slide decks; community content and archives; automations, workflows, prompts, and configurations; and any updates or derivatives of the above that we supply.

2. Licence granted

Subject to your compliance with this EULA and full payment of all amounts owed, we grant you a limited, revocable, non-exclusive, non-transferable, non-sublicensable licence to access and use the Materials solely:

- 1 Inside your own business, for your own internal commercial purposes;
- 2 For the number of users, seats, or entities your Order specifies, and if it specifies none, for one business entity;
- 3 For as long as your purchase, subscription, or engagement remains active and paid.

You may adapt and customise the Materials for use in your own business, and you may show them to your own employees and contractors provided they are bound by confidentiality terms at least as protective as ours and you remain responsible for their compliance.

THIS IS A LICENCE, NOT A SALE. We retain ownership of all Materials and of all intellectual property in them. You receive only the rights written above. Every right not expressly granted is reserved.

3. What you may not do

You may not:

- Sell, resell, licence, sublicense, rent, lease, distribute, publish, or otherwise make the Materials available to any third party.
- Share your access credentials, or allow anyone outside your licensed users to access the Materials.
- Post the Materials publicly, upload them to a file-sharing service, or include them in any course, community, membership, template pack, swipe file, or product you offer to others.
- Use the Materials to build, train, or improve a competing product, service, or agency offering, or to provide services to third parties that substantially reproduce what we provide.
- Use the Materials as inputs to train, fine-tune, or ground a machine-learning or artificial-intelligence model or dataset, other than your own internal, non-public use inside your own business.
- Remove, obscure, or alter any copyright, trademark, confidentiality, or attribution notice.
- Reverse engineer, decompile, or attempt to extract source code or underlying structure from any software or automation we provide, except to the extent the law expressly permits.
- Scrape, bulk-download, or systematically copy the Materials or any community archive.

- Record, transcribe, or redistribute any live session, call, or community discussion without our written consent.

4. Trademarks

Our names, logos, and brand features, including "BusinessGrowR" and the names of our frameworks and offers, are our trademarks. This EULA grants you no right to use them, except that a client may state factually that it works with us. You may not imply endorsement, partnership, certification, authorised-reseller status, or co-branding without our written permission.

5. Community rules

Where the Materials include access to a community, you agree not to: solicit, pitch, poach, or recruit other members or our staff without permission; share other members' confidential information, revenue figures, or screenshots outside the community; post unlawful, harassing, deceptive, or infringing content; or use the community to distribute the Materials in breach of Section 3. We may remove content and remove or restrict any member who breaches these rules, without refund.

6. Your content

You keep ownership of anything you post or supply. You grant us a non-exclusive, worldwide, royalty-free licence to host, store, reproduce, and display it as needed to operate the community and deliver the Services, and to quote non-confidential feedback and results in our marketing. You confirm you have the rights to everything you supply.

7. Feedback

If you give us suggestions or feedback about the Materials or Services, we may use them freely and without obligation, payment, or attribution.

8. Updates and availability

We may add to, modify, withdraw, or discontinue any Materials at any time, including where a third-party platform changes and makes a template or automation obsolete. We are not obliged to maintain backwards compatibility, to keep any specific Material available, or to notify you before changing it. Keep your own copies of anything your business depends on, to the extent your licence permits.

9. Term and termination

This EULA runs for as long as you have access to the Materials. It terminates automatically if your purchase, subscription, or engagement ends, if you fail to pay, or if you breach it.

On termination you must immediately stop using the Materials and, on request, delete or destroy all copies in your possession and confirm in writing that you have done so. Adaptations and derivatives you created from the Materials are covered by this obligation. Anything you built independently, and your own customer data and business records, remain yours. Sections 2 (ownership), 3, 4, 6, 7, 10, 11, and 12 survive termination.

10. Confidentiality

The Materials are our confidential information and trade secrets. You will protect them with at least reasonable care, will not disclose them outside your licensed users, and will tell us promptly if you learn of any unauthorised access, copying, or disclosure.

11. Breach, enforcement, and remedies

UNAUTHORISED DISTRIBUTION IS THE ONE THING WE ALWAYS ENFORCE. Because the Materials are easily copied, a breach of Section 3 causes harm that money alone may not fix. You agree that we are entitled to seek injunctive relief without posting a bond, in addition to any other remedy. We may also revoke your access immediately and without refund, and recover our reasonable costs of enforcement, including legal fees, where permitted by law. We may embed identifying markers in the Materials to trace unauthorised copies, and reserve the right to pursue statutory remedies for copyright infringement.

12. Disclaimer, liability, and law

The Materials are provided "as is". They are examples and tools, not advice, and not a promise of any outcome. We disclaim all warranties to the fullest extent permitted by law, including implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Our liability under this EULA is limited as set out in our Terms of Service. This EULA is governed by the laws of the State of Wyoming, United States, and any dispute is subject to the dispute-resolution and venue provisions of our Terms of Service. If any provision is unenforceable, the rest stands. This EULA, together with the Terms of Service, Privacy Policy, and your Order, is the entire agreement about the Materials.
