

PRIVACY POLICY

How we collect, use, and protect your information.

This policy explains how OTHXRWHERE, operating as OTHXR ("OTHXR," "we," "us"), accessible at othxr.xyz, collects and handles your information.

1. Information We Collect

When you subscribe, we collect the information necessary to provide the Service: your email address, Discord username and ID, and billing information processed directly by Whop, our payment processor. We do not receive or store your full payment card details. Our website also uses Cloudflare Web Analytics to collect anonymized visitor statistics.

2. How We Use Your Information

We use your information to provide and maintain access to the Service, process billing through Whop, deliver alerts and content through Discord, and respond to support requests.

3. Third Parties

We share information only as necessary to operate the Service: with Whop for billing and membership management, with Discord for community access and message delivery, and with Cloudflare for hosting and site analytics. We do not sell your personal information to any third party.

4. Data Retention

We retain your information for as long as your account remains active, and for a reasonable period afterward as needed for billing records, dispute resolution, and legal compliance.

5. Your Rights

You may request access to, correction of, or deletion of your personal information by opening a support ticket. Some information may be retained where required by law or legitimate business record-keeping.

6. Children's Privacy

The Service is not directed at, and may not be used by, anyone under the age of 18.

7. Changes to This Policy

This policy may be updated at any time. Continued use of the Service after an update constitutes acceptance of the revised policy.

8. Contact

Privacy questions or requests should be raised through the support ticket system.
