

Terms of Service

Last updated: 28 December 2025

These Terms of Service (the “Terms”) form a legally binding agreement between you and **StrategyFactory.ai FZ-LLC**, registered in Dubai, United Arab Emirates (“StrategyFactory.ai”, “we”, “us”, “our”). If you do not agree to these Terms, you must not access or use the Services.

1) Introduction & Acceptance

These Terms apply to the websites, applications, APIs, Telegram bots, and related services operated by StrategyFactory.ai FZ-LLC, including **StrategyFactory.ai**, **trader.dev**, and any related subdomains or integrations (collectively, the “Services”).

By accessing or using any part of the Services, you confirm that you have read, understood, and agree to be bound by these Terms and any policies referenced in these Terms (including the Privacy Policy and Risk Disclaimer, Returns Policy, and End User License Agreement).

2) Eligibility

- You must be at least **18 years old** and have full legal capacity to enter into these Terms.
- You are solely responsible for determining whether access to or use of the Services (including crypto trading and automated trading) is legal in your jurisdiction.
- StrategyFactory.ai does not verify the legality of cryptocurrency trading or automated trading in your jurisdiction. Compliance is solely your responsibility.

3) Nature of the Services (No Advice; Platform Separation)

The Services are provided as a technical and informational platform. You understand and agree that the ecosystem includes distinct products with distinct roles, and you must not treat them as a single financial service.

DaviddTech

Media & Educational Content

- Educational, informational, and transparency-based content.
- General in nature; not tailored to any individual.
- Does not constitute financial, investment, legal, tax, or trading advice, and is not a recommendation.

StrategyFactory.ai

Research Platform

- Historical data, backtests, forward tests, and research tools.
- Strategies and outputs are for research and informational purposes only.
- StrategyFactory.ai does not provide financial advice, investment advice, portfolio management, or recommendations.
- No guarantee of performance; results may be inaccurate or incomplete.

Trader.dev

Execution Orchestration Layer

- Technical orchestration and user interface layer (including Telegram UI).
- Does not hold custody of funds and does not hold private keys.

- Does not execute trades directly; trades are executed on third-party exchanges.
- Exchange API credentials are supplied voluntarily by users.
- StrategyFactory.ai and Trader.dev do not at any time take custody of user assets or exercise discretionary control over user funds.

4) No Financial Advice / No Fiduciary Relationship

- No financial advice, no investment advice, and no trading advice is provided.
- No portfolio management, no discretionary management, and no suitability assessment is performed.
- You acknowledge that no fiduciary relationship exists between you and StrategyFactory.ai, and you must not rely on the Services as a substitute for professional advice.

5) User Responsibilities

You are solely responsible for:

- All trading decisions and whether to trade at all.
- Risk management, position sizing, and monitoring open positions.
- Selection of exchanges, brokers, counterparties, and third-party tools.
- Creation, configuration, and permission scope of API keys (including disabling withdrawal permissions).
- Reviewing any strategy logic and settings before deploying it (including verifying signals and order logic).
- Compliance with all applicable laws, regulations, sanctions, reporting, and tax obligations.

6) Risk Acknowledgement

- Cryptocurrency and derivatives trading involves substantial risk.
- Automated trading does not reduce risk and may increase risk.
- Leverage can amplify losses and can lead to rapid liquidation.
- You may lose all or more than your initial investment.

You are responsible for understanding order types, funding rates, liquidation mechanics, margin requirements, slippage, latency, and exchange-specific behavior.

7) Third-Party Services

The Services may integrate with or depend on third-party platforms and providers, including (without limitation) Telegram, TradingView, Whop, hosting providers, analytics tools, and cryptocurrency exchanges. StrategyFactory.ai does not control and is not responsible for the availability, security, or performance of third-party services.

You acknowledge that third parties may impose their own terms, policies, fees, outages, and limitations, and your use of third-party services is at your own risk.

8) Subscriptions & Payments (Whop)

- Paid access may be billed on a recurring basis (e.g., monthly) as described at checkout.
- Payments and billing are processed by Whop or another designated payment processor.
- We do not store your full payment card details.
- Prices, plan terms, and availability may change at any time.

- You are responsible for canceling your subscription. Failure to cancel does not entitle you to a refund.
- Unless expressly required by applicable law, fees are non-refundable and we are not obligated to provide refunds for partial periods, unused time, or trading outcomes.
- The Services are a digital product and are delivered instantly upon access, so there are no refunds unless expressly required by applicable law.

9) Acceptable Use

You must not:

- Use the Services for illegal, fraudulent, or sanctioned activities.
- Attempt to gain unauthorized access, disrupt systems, scrape unlawfully, or bypass security.
- Misrepresent your identity or your authority to act for another person or entity.
- Use the Services to provide regulated services to others without proper authorization.

10) Intellectual Property

The Services, including software, designs, text, and trademarks, are owned by StrategyFactory.ai or its licensors and are protected by applicable intellectual property laws. You receive a limited, revocable, non-exclusive, non-transferable license to access and use the Services for your personal or internal business use in accordance with these Terms.

11) Disclaimer of Warranties

The Services are provided “as is” and “as available” to the maximum extent permitted by applicable law. We do not warrant that the Services will be uninterrupted, error-free, accurate, secure, or free of harmful components. Outputs (including backtests, forward tests, alerts, and metrics) may be delayed, incomplete, or incorrect.

12) Limitation of Liability

To the maximum extent permitted by applicable law, StrategyFactory.ai, its directors, officers, employees, contractors, and affiliates will not be liable for any trading losses, lost profits, loss of opportunity, loss of data, business interruption, indirect damages, incidental damages, consequential damages, or punitive damages, arising out of or related to the Services, even if advised of the possibility of such damages.

To the maximum extent permitted by applicable law, our total aggregate liability for all claims arising out of or related to the Services will not exceed the total amount you paid to StrategyFactory.ai for the Services in the **twelve (12) months** immediately preceding the event giving rise to the claim.

13) Indemnification

You agree to defend, indemnify, and hold harmless StrategyFactory.ai and its affiliates from and against any claims, liabilities, damages, losses, and expenses (including reasonable legal fees) arising from or related to: (a) your use of the Services, (b) your trading activity, (c) your breach of these Terms, (d) your violation of applicable laws or regulations, or (e) any third-party claim related to your use of third-party exchanges, Telegram, TradingView, or other providers.

14) Suspension & Termination

We may suspend, restrict, or terminate your access to the Services at any time, with or without notice, for any reason, including suspected misuse, legal risk, security concerns, or non-payment. You may stop using the Services at any time. Termination does not eliminate your responsibility for any obligations incurred prior to termination.

15) Changes to These Terms

We may update these Terms at any time. Continued use of the Services after changes become effective constitutes your acceptance of the updated Terms.

16) Governing Law & Jurisdiction

These Terms are governed by the laws of the United Arab Emirates. Any disputes shall be subject to the exclusive jurisdiction of the courts of Dubai.

You are responsible for determining the legality of the Services in your country and for complying with your local laws.
