Last Updated: February 16, 2026

By purchasing a membership to 6-Figure Creator (“6FC”), you agree to the following Terms of Service (“Terms”). If you do not agree, please do not complete your purchase.

1. Nature of the Membership

6-Figure Creator is an educational membership community providing training, resources, and community access for creators.

Membership benefits may include:

- Educational content and live or recorded trainings
- Community access (including Discord or similar platforms)
- Optional access to promotional product samples
- Temporary or ongoing access to 6FC tools and resources depending on membership level

6FC does not guarantee income, results, brand partnerships, platform approvals, or financial outcomes.

2. No Earnings or Results Guarantees

You acknowledge and agree that:

- Results vary based on individual effort, consistency, experience, and platform conditions
- Any earnings or success examples shared are illustrative only and not guarantees
- TikTok, TikTok Shop, and other platforms operate independently and may change policies or algorithms at any time

You are solely responsible for your results.

3. Membership Billing & Cancellation

3.1 Initial Purchase

Your initial membership purchase grants immediate access to digital content and the 6FC community for the duration specified in the product description at the time of purchase. Access does not extend beyond that stated term unless otherwise explicitly provided in writing by 6-Figure Creator.

3.2 Recurring Membership

If your membership includes a \$99/month recurring plan, you may cancel future billing at any time directly through your Whop account.

- Cancellation stops future charges only
 - Previously billed amounts are not retroactively refunded, except as outlined below
 - Access continues through the end of the current billing period
-

4. Refund Policy

6-Figure Creator aims to be transparent and reasonable.

4.1 Refund Eligibility

Refund requests may be considered only if all of the following are true:

- The request is submitted within 14 days from the date of purchase, and
 - The member has not completed a product sample request form, and
 - The member has not received access to promotional product samples
-

4.2 Sample Access & Refund Cutoff

Once a member:

- Completes a product sample request form, or
- Receives access to promotional product samples

The membership becomes non-refundable.

This is due to the non-returnable and promotional nature of product samples and the value delivered once samples are allocated.

4.3 Non-Refundable Circumstances

Refunds will not be issued for:

- Members who have requested or received product samples
 - Failure to participate or fully utilize the membership
 - Platform account issues, suspensions, or content performance
 - Dissatisfaction with results or expectations
 - Personal scheduling conflicts or circumstances
-

5. Product Samples Disclaimer

- Product samples are provided for promotional and educational purposes only
- Sample retail values are estimated and may vary
- Sample availability, quantities, and specific items are not guaranteed
- Samples are non-returnable and non-exchangeable

Access to or receipt of samples constitutes meaningful value delivered as part of the membership.

Sample Delivery:

- The Sample Box Starter Kit and all samples available to 6-Figure Creator Members will only be shipped to members with an address in the United States
-

6. Platform & Third-Party Disclaimer

6-Figure Creator is not affiliated with or responsible for TikTok, TikTok Shop, or any third-party platform.

You acknowledge that:

- Accounts may be restricted, suspended, or removed by platforms at their discretion
- Content visibility, monetization, and reach are not guaranteed

- Platform rules and algorithms may change without notice

6FC is not responsible for platform enforcement actions.

7. Health & Product Use Disclaimer

Any discussion of health, wellness, or product usage is provided for educational purposes only and does not constitute medical advice.

You are responsible for:

- Following manufacturer instructions
 - Using products safely and as intended

-

8. Community Conduct & Access

6-Figure Creator reserves the right to limit, suspend, or remove access to the community or membership for conduct that is:

- Disruptive
- Abusive or harassing
- Fraudulent or misleading
- In violation of community guidelines

Removal for conduct violations does not automatically entitle a member to a refund.

9. Whop Payments & Disputes

All payments are processed through Whop.

By purchasing, you acknowledge that:

- Access to digital content and community is delivered immediately
- Filing a chargeback or payment dispute after access or sample allocation may result in permanent loss of access
- 6FC may submit records, timestamps, and usage data to Whop or the payment processor to resolve disputes

Disputes are handled in accordance with Whop's platform policies.

10. Limitation of Liability

To the maximum extent permitted by law, 6-Figure Creator shall not be liable for indirect, incidental, or consequential damages.

Total liability shall not exceed the amount paid for the membership.
