

PlayBit Terms of Service

Effective Date: 06/01/2019

Last Updated: 30/04/2026

Welcome to **PlayBit** ("PlayBit", "we", "our", "us"). By accessing, joining, or using our services—including but not limited to our trading education platform, Discord community, live streams, mentorship, signals, automated trading tools, and related products or services—you agree to be bound by the following Terms of Service ("Terms").

Please read them carefully. If you do not agree with these Terms, do not use or purchase our services.

1. Eligibility

By using PlayBit, you confirm that:

- You understand the risks involved with financial markets and trading.
 - You do not rely on PlayBit as financial advice or investment instruction.
 - You are solely responsible for your financial decisions and outcomes.
-

2. Educational Purpose Only

All content, signals, sessions, tools, and materials provided through PlayBit are strictly for educational and informational purposes only.

Nothing provided constitutes:

- Financial advice
- Investment recommendations
- Portfolio management

PlayBit is not liable for any trading losses incurred.

3. Memberships & Subscriptions

- PlayBit offers various subscription options, including monthly, quarterly, annual, and one-time Lifetime access.
- By purchasing a subscription, you authorize recurring billing unless otherwise stated.
- It is your responsibility to manage your subscription, including cancellations before the renewal date.

Failure to cancel before renewal will result in continued billing.

4. No Refund Policy

All sales are final.

Refunds will not be issued for:

- Forgetting to cancel before renewal
- Lack of usage or engagement
- Change of mind or financial hardship
- Failure to properly set up or use the product
- Misunderstanding of product requirements

PlayBit incurs significant processing fees on transactions, and as such, refunds are not provided once access has been granted.

We may consider refund requests on a case-by-case basis at our sole discretion in extraordinary circumstances. Any exceptions do not set a precedent.

5. Lifetime Membership Terms

"Lifetime access" refers to access for as long as PlayBit continues to operate as an active business.

- If PlayBit discontinues operations, becomes insolvent, is sold, rebranded, or ceases services, no refunds will be issued.
 - Lifetime membership does not guarantee indefinite service beyond the lifespan of the business.
 - PlayBit will make reasonable efforts to maintain access for Lifetime members.
-

6. Community Code of Conduct

Users must behave respectfully and professionally.

We reserve the right to suspend or terminate access without refund for:

- Abuse, harassment, or offensive behavior
 - Soliciting, poaching, or attempting to redirect members
 - Misuse of affiliate links or attempting to exploit PlayBit's user base
 - Sharing, leaking, or reselling content without permission
-

7. Intellectual Property

All materials—including courses, videos, PDFs, branding, indicators, and trading strategies—are the intellectual property of PlayBit.

You may not:

- Reproduce
- Redistribute
- Resell
- Share

Any content without written permission.

8. Trading Bot, Automation & Prop Firm Disclaimer

PlayBit provides access to automated trading tools, including AI trading bots, indicators, and execution systems.

By using these tools, you acknowledge and agree:

No Guarantees

- **PlayBit does not guarantee:**
 - Profits
 - Passing prop firm evaluations
 - Funded accounts
 - Payouts

User Responsibility

- **You are solely responsible for:**
 - Understanding and complying with prop firm rules
 - Managing your trading accounts
 - Monitoring your bot and trading activity
 - Properly setting up and configuring the system

No Liability for Prop Firm Decisions

PlayBit is not responsible for any prop firm, broker, or platform decisions, including:

- Account restrictions or bans
- Rule violations
- Denied payouts
- Account breaches or closures

Automation Risk

You accept all risks associated with automated trading, including but not limited to:

- Slippage
- Market volatility
- Incorrect configuration

Third-Party Dependencies

The bot relies on third-party platforms, including but not limited to:

- TradingView
- TradersPost
- Prop firms
- Brokers

PlayBit is not responsible for failures, downtime, or issues caused by these third parties.

Multi-Account & Copy Trading Risk

If you choose to use multiple accounts or copy trading tools:

- You accept full responsibility for any consequences
 - PlayBit is not liable for account linking, duplication detection, or enforcement actions
-

9. Disclaimer of Liability

PlayBit and its team are not liable for:

- Trading losses or financial decisions
- Account bans, restrictions, or denied payouts
- Technical issues, outages, or downtime
- Third-party platform failures
- Missed trades or execution delays
- User errors, misuse, or failure to follow instructions

You agree to use PlayBit at your own risk and release us from all claims.

10. Performance Disclaimer

Past performance is not indicative of future results.

Any results, testimonials, or examples shared:

- Are not guaranteed
 - May not be typical
 - Are for informational and marketing purposes only
-

11. Modifications

We reserve the right to update or modify these Terms at any time.

Continued use of the platform constitutes acceptance of the revised Terms.

12. Governing Law

These Terms are governed by the laws of the United States of America.

Any disputes will be subject to the exclusive jurisdiction of US courts.

13. Contact

For support, questions, or inquiries, please contact us via a support ticket inside the PlayBit Discord.

Acknowledgment

By using PlayBit, you confirm that you have:

- Read
- Understood
- Agreed

to these Terms in full.
